

One Dollar's Worth  
of Quality

Dress Goods Department, 1st Floor

Every dollar you spend in the Dress Goods Department is a dollar well placed. For every dollar you get a yard of quality—when you buy dollar dress goods. This is not a store to pick up any old trash in the market and offer it to Canadian customers with the sole recommendation of cheapness. This is a store of quality. We are Dress Goods experts and it was Dress Goods that formed the foundation of this great business.

Now this is what we want to tell you, earnestly, convincingly—and it cannot be refuted: We have this Fall the greatest, the best, the most varied and exclusive stock of Dress Goods that we ever had. Do you know what that means? That means the best stock in Canada. That means that this is the leading Dress Goods House in the Dominion. And so we are.

Moreover, our values in numberless cases cannot be equalled on the Continent of America, for the simple reason that United States stores have twice the duty to pay that we have.

Equal to any Ten Dollar Coat made in the West.

In other words—says you can't match these coats anywhere unless you pay one-half more than we'll sell them for on Tuesday. We've examined the coats. We guarantee them. They are worthy, well-made coats, and so we pass them on to you for the verdict.
