Diamond Sparkles
Connie Mack is still experimenting. He is trying a new second baseman named Bradshaw, together with Gooch, another right fielder. Mack's pitchers are improving.
Tillie Walker may not be filling Tis Speaker's place in every department, but he is leading the champion with the stick, being the only Red Sox player in the 300 class.
Playing regularly seems to make quite a difference with Jim Thorpe. The Indian is hitting at a 286 clip and fielding fine.
Waite Hoyte, a promising young Brooklyn pitcher, who landed with the Giants when he was just past 16, has been returned to Memphis by Memphis of the Southern Association.
The White Sox, who are right up at the top in the American League race, are last in batting. They are winning with air tight fielding and first class pitching.
Eddie Plank is experiencing his worst season by far since he came into the majors long ago. The Gettysburg veteran has turned in only one victory this season.
In the last three years Grover Alexander has won seven and lost six games while facing the Giants.
The Washington Senators have lost 16 games this season by one run.
AQUATIC
Harry Dibble Wounded
Harry Dibble, of Toronto, was notified on Saturday, that his second son, Harry, aged 21, had been wounded in France. No particulars were given. Harry is a younger brother of Canada's champion amateur sculler of Canada and the United States.
Harry went overseas last October as a sergeant in the Sportsman's Battalion, and reverted to the ranks to get to France. He has been through the Vimy Ridge engagement.
Harry was also a fine sculler and hold-down of the Canadian junior championship. His partner in the winning double scull junior and intermediate championship at the Canadian Henley in 1914, Flight-Lieut. J. M. Ingham, was reported killed in action recently.
To Welcome Harvard Oarsmen
Cambridge, Mass., June 16.—Harvard oarsmen, who may be passing through London on their way to or from the European battlefront have been invited by the Thames Rowing Club of Putney, England, to use the clubhouse, shells and other equipment.
New World's Record
Los Angeles, Calif., June 16.—Dorothy Burns of the Los Angeles Athletic Club, established a new American record of 2:26 1-5 here last night for the women's 150 yard back-stroke swim and retained the national championship. Her former record, made last year, was 2:38.
Ralph Ong, of the Los Angeles Athletic Club, won the national championship in the plunges, going 71 feet.
RING
Britton-Lewis Battle
Jack Britton of Chicago, recognized world's welterweight champion, and Ted Kid Lewis, English boxer, meeting in the ring in New York on last Thursday night for the twelfth time, furnished a fair-sized crowd of enthusiasts at the St. Nicholas A. C. with an interesting, ten-round draw. The willing aggressiveness of the English boxer and heavy blows to the head which he landed with telling force on Britton in many of the rounds, earned him an even break in the honors for the bout. Britton, while his style was not as spectacular or interesting, nevertheless managed to land the cleaner blows in the latter rounds of the bout.
In fact, after the first few rounds, Britton settled down to his task, and taking the lead away from Lewis, forced him with a punishing attack to the stomach. The Chicagoan, incidentally, directed his efforts almost solely to Lewis' stomach, and the effects of this hammering was plainly noticeable as the contest progressed, and Lewis slowed perceptibly.
Lewis earned the second, third and fourth rounds; Britton got the fifth, sixth and ninth, and the remainder were even.
In the early stages of the bout Britton was untidy and wild and landed few effective blows. Lewis, carrying the fighting, aimed blows for the jaw, but the majority went wide or were taken easily by Britton, who "rode" with them. While a few blows were landed in the second, third and fourth rounds by Lewis, however, which shook up the titleholder and made him wary, but Lewis, while his dashing style attracted the eye of the spectator, was unable to get past Britton's close guard with a clean, really damaging blow.
Lewis was evidently somewhat tired from his effort in the first few rounds and in the fifth Britton took the lead. The Chicagoan found his rival a comparatively easy target for heavy blows to the stomach, and Britton sent these

home with both hands, making little or no attempt to reach Lewis' face except with an occasional left hand jab. In the sixth session the titleholder followed the same style of boxing. His cleverness and more effective hitting, coupled with his coolness in the face of Lewis' spasmodic rallies, earned him his share of honors. Britton weighed 146½ pounds and Lewis 144½ pounds.
New Champion Scores Knockout.
New York, June 18.—Benny Leonard, world lightweight champion, knocked out Mike Johnson, of Philadelphia, in the third round of a 10-round match here tonight. Leonard weighed 133½ pounds; Nelson 141.
News of the Boxers
A ten-round return bout between Johnny Dundee, a New York Italian lightweight, and Willie Jackson of the Bronx, which was to have been held on next Thursday night, has been postponed until June 29 as Jackson is suffering from an injured eye.
The officials of the Clermont S. C. of Brooklyn announce that they are negotiating for a ten-round bout between Mike Gibbons, St. Paul middleweight, and Mike O'Dowd, also of St. Paul.
Efforts are being made by Edward G. Barrow, president of the International League, to arrange a match between Benny Leonard, world's lightweight champion, and Johnny Kilbane of Cleveland, featherweight champion. According to the reports, Barrow intends, if he is successful, in his negotiations, to stage the contest in the baseball park of the Toronto club.

TURF
Dwyer Left a Million
The will of Philip J. Dwyer, turfman, was filed in New York last week, soon after Philip J. Britt, the decedent's attorney and one of the executors named in the will, had taken it from a safe deposit box in the People's Trust Company under an order of Surrogate Fowler, authorizing him to open the box. The will makes no public bequests, but gives the estate, estimated at \$1,000,000, to relatives and friends.
The chief legatees are the children of Mr. Dwyer's deceased brother and business partner, Michael Dwyer. They are Camille Dwyer and Mrs. Lulu Dwyer Norton, and Charles F. Dwyer, who receive a trust fund of \$100,000 and also divide the residuary estate. Mrs. Miriam McGarry Collins, also a niece, gets the income of a trust fund of \$100,000 until she is thirty, when she receives the principal. Two cousins, Thomas Donohue and Bernard Donohue, receive \$10,000 and \$5,000, respectively.
Mr. Dwyer, who made his will in 1908, gave legacies of \$2,000 each in memory of his wife to her friends, as follows: Mr. and Mrs. Henry Homan, Mrs. Charles Gage, and Misses Louise Downs and Emma Baldwin. Patrick Gallagher, described in the will as "Brook the coachman," who drove Mr. Dwyer about the city in his cab for many years, got \$1,000.

After Dan Patch's Mark
When William, a pacer with a record of 1:58½, was sold to an Indiana horseman at the Billings dispersal sale at Madison Square Garden a few days ago, there was a feeling of wonderment as to what his purchaser could do with him as a paying investment. His record put the champion side-wheeler out of the possibilities of anything but the free-for-all class in actual competition. His record might serve as a drawing card for an exhibition horse at country fairs, but it was argued, not a sufficiently strong one to make the investment of \$15,000 a profitable one when he would have to be campaigned for one-day stands all over the country, instead of as a member of a racing string.
The mystery has been settled by placing the horse in the training stable of Billy Marvin, who trained, developed, and drove him, and ultimately sold the first horse to make a two-minute record in a race, to C. K. G. Billings for a reported price of \$30,000. Marvin is obsessed with the idea that William's present record is not the complete measure of his possible speed. He has the great wrigger at the North Randall track, just outside of Cleveland, and will train him to try and beat Dan Patch's record of 1:55 1-4, made against time and with the benefit of a wind shield at St. Paul in 1906. William is sound, apparently without a blemish, a hard worker, and yet an easily trained horse, a glutton for work, so Marvin argues that he has as good a chance as any animal to lower the mark of Dan Patch, which must be beaten sometime by some horse.

KENNEL
Britain Bars Dog Shows
Dog shows in Great Britain have been abolished through the operation of a Defense of the Realm regulation recently issued in spite of the protests of dog owners throughout the kingdom. The occasion for the prohibition was the point raised that dogs, and particularly those used for shows, were consuming too much food which was required for men.
Complaints of the over-running of the kingdom by tramp and mongrel dogs. So the order abolishing tramp dogs and, with them, the dog shows, was issued. The Ladies' Kennel Association mem-

bers unanimously pledged themselves to feed to none of their pets food fit for human consumption, in hopes of preventing the blow.
With the order went one requiring the registration of all dogs and the killing of those not registered under a stiff fee. British fanciers are in consequence flooding the American market with offers of show dogs, at prices which would have seemed absurd even so lately as a year ago.
Auto Kills Dog Fancier
Tarrytown, N.Y., June 18.—Walter Johnson, proprietor of the Elmwood Kennels, and one of the best known dog fanciers in the country, was struck by an automobile driven by William Schott on the Tarrytown road and died in the Tarrytown Hospital from a fractured skull.
Schott was caught by two soldiers at Johnson's roadside, Glenville. He was arraigned before Justice Sokol and hur-

DUNLOP
TRACTION TREAD
MOTORCYCLE TIRES

MERITS APLENTY
Dunlop Traction Tread has everything in it to produce a tire of the right standard. We could omit some of the features and lower the price, but we believe every motorcyclist needs just the features now found in Dunlop Traction Tread and will pay for them.
No other Motorcycle Tire combines all these merits—Never Did Rim-Cut, Largest Air Capacity, Greatest Skid-Resisting Surface, Minimum Dust Disturbance, Perpetual Comfort, Greatest Resiliency, Maximum Mileage.
