MARINE NOTES
The White Star-Dominion liner Southland has been commandeered by the British government for war purposes. This leaves the White Star line with one passenger steamer between Canada and Great Britain. The Southland carried part of the last detachment of Canadian troops to England.
The R.M.S.P. liner Chalour arrived in port last evening from Bermuda and the West Indies. She brought a general cargo and fifteen passengers. During the passage from Bermuda she encountered strong head winds.
Colonel Cantley, vice-president and general manager of the Nova Scotia Steel & Coal Company, denies the statement that the company chartered twenty-six lake steamers for service between the West Indies and South America. Five steamers have been chartered to carry coal from the coast to inland ports.

How to Look Younger Than Your Age

The most aged face will look years younger after the use of ordinary mercurochrome for ten days to two weeks. This remarkable substance, because of its peculiar absorptive power, gradually removes the thin veil of faded or withered outer cuticle, a little at a time. Gradually the younger, more youthful skin underneath is revealed. This absorption process being the true secret of youthfulness. No other cream, no matter how expensive, does anything but irritate and inflame the skin. Mercurochrome is a purely hygienic and scientific preparation. It is sufficient to rejuvenate any drug store, and removed morning with warm water.

To eradicate such age marks as wrinkles and furrows, make a wash lotion by dissolving 1 oz. powdered mercurochrome in 4 pt. witch hazel. This has wonderful softening and tonic properties. It quickly effaces all kinds of wrinkles, no matter how caused, making the skin firm, smooth and young looking.

Who Pays the Penalty?

Last April two of our representatives solicited applications for life assurance from a prominent Toronto wholesale merchant and his son.

They succeeded in selling to the father a policy for a considerable amount, but the son could not be induced to protect his dependents in this way against the financial loss which would result from his early death.

Less than two months afterwards the daily newspapers recorded the tragic story of the younger man's accidental death. His failure to act when action was possible deprives his family of the insurance money which he could have secured to them so easily.

Have you made any provision for your wife and little ones in case you should die suddenly? An Imperial Home Protection Policy will do it. Write for particulars to-day; tomorrow may be too late.

A Draft—You Catch Cold—Then Follows Coughs, Cold Stiff Neck Neuralgia

Especially in the piercing pain of neuralgia or the dull throbbing headache is Sloan's Liniment wonderfully relieving. Laid lightly on the part where the pain is felt, it gives at once a feeling of comfort and ease that is most welcome to the overwrought sufferer.

Hear What Others Say:
"There are no liniments that equal Sloan's. My husband has neuralgia very often, he rubs Sloan's on his face and that is the last of it."—Mrs. V. J. Brown, Road 1, Box 121, Hills, Tenn.
"I have used Sloan's Liniment for family use for years and would not be without it. We have raised a family of ten children and have used it for every ailment. It is a trouble-saver, as an antiseptic for wounds, of which children have a great many. It can't be beat. My wife sprained her ankle last summer and it was it, had Sloan's Liniment applied enabled her to be as good as ever in a week. I have used it several times for sprains and rheumatism."—Mrs. A. J. Brown, Box 10, Hills, Tenn.

Your Manly Strength "Nature" Book Free

My Free Offer to My Men and Young Men Readers.

My free offer is as follows: There are in existence today numerous creditable books relating to the much discussed sex science, and they range in price from \$3 to \$5, while my offer is given below is a free one.

I publish a little private compendium of 72 pages, pocket size, containing 8,000 words and 80 half-tone photographs, which thoroughly covers the subject of sex, but only in its relation to manhood or vital manly strength, its legitimate uses, its wanton abuse, its loss and the causes thereof, its possible self-restoration and its permanent preservation. These are the vital phases of the sex subject which I find to be of most interest to all men, young or elderly, single or married, and I have therefore put into this little self-help book the very best that I can offer relating to that particular personal and private advice and information, which my 20 years' practical experience in this field has taught me man most seek, and through which they can get the most real benefit in respect to their own vigor and vital health. This, reader, is the book, and my offer to send it by mail, absolutely free of charge, in a perfectly plain, sealed envelope, to any man or young man anywhere who writes for it (see coupon below), and there is not a particle of obligation of any kind whatsoever involved in making this gift offer to you. Over a million of these books have been thus sent to men all over the world who wrote for them.

The reason why I am offering this illustrated sex book free is that in one part I include a description of a little mechanical vibrator of my own invention, which is for use by those of my readers who need some outside aid in the restoration of their manly vigor. However, that is a matter for each person to decide for himself. The book is complete and entirely independent of anything it says with respect to the vibrator. Therefore please use free coupon and get the book by return mail. You will find it a valuable adviser in many respects.

SANDEN, Author.
Vital manhood and an abundant manly vigor is the greatest human asset of our day. Every man is entitled to be perfectly strong, vigorous and capable, just as nature intended he should, and if through the medium of my book I can show you how you yourself may become as vital, manly and forceful as the best man of your acquaintance, then I have merely given you a clear understanding of what nature is herself constantly endeavoring to tell and show you.

As to my vibrator, it may or may not be necessary in your case, but if you want to use it after reading the description, I will gladly make some liberal proposition so you may get one to try. This vibrator, weighing only several ounces, is worn all night. It generates a soft, easy flowing FORCE which I call vitality. This FORCE enters your system at the small of the back, flowing thence through the kidneys, liver, stomach, bladder and organs, and diffusing itself to every part of the body. Over 200,000 Sanden vibrators are now in use or have recently been used. It keeps up its gentle action while you sleep. Men everywhere have said it makes them feel better and stronger almost at once, that it often takes pain out of the back in a few hours, and 60 to 80 days' time is sufficient to restore normal vigor. With special attachments my vibrator is used by women as well as men for rheumatism, kidney, liver, stomach, bladder disorders, etc.

If you live in or near this city, would be pleased to have you call. Hours, 9 to 6.

However, whether or not you ever use the vibrator, at least you want the free book, so kindly fill in the coupon and the book will go to you, sealed, by return mail.
