WAS IN KITCHENER TOURIST

N. Asmusen, recently elected M. P. in North Waterloo. He faced badly at the hands of the mob during the Kitchener riot. He held off the crowd with a revolver at his home for a time and was forced to apologize for anything he may have said or done to offend the Great War Veterans' Association. Mr. Asmusen was also an alderman. The trouble grew out of the proposal to change the name of Kitchener to Berlin.

When a beverage about a year old is in such demand that orders come in for it in carload lots it's a pretty sure endorsement of its worth, isn't it? One glass of "B" Brand Cider will tell you why it has this distinction.

They openings will come in the gums to act as the gateways of disease germs, which infect the joints or bones, or cause other ailments. Forhan's prevents Pyorrhea, if used in time and used constantly. No more toothache does. Are your gums tender gums? Are they bleeding gums? If so, you are certain to have Pyorrhea (Riggs' Disease).
