Prof A G Shenstone,
c/o High Commissioner for Canada,
Canada House,
London, S.W.1.

Dear Shenstone,

Thank you for your letter of Dec 1st. I have just heard by telephone that D.R.E.E. Big Fowle, is prepared to order the pump and I am sending him the necessary particulars. Major MacMillan of CMHQ rang me up yesterday and I told him this. I am sorry to have troubled you unnecessarily but I was rather concerned because the matter seemed to be held up and we were unable at the moment to do anything to clear it.

Yours sincerely,

(sgd) W E Curtis.
