Notes and Comments

POLITICAL RUMORS

All kinds of political rumors have been in the air this week, but The Guardian has not been able to obtain any definite information on the matter. It is reported that differences of opinion regarding policy and certain appointments, and the management of certain departments exist. The House met on Tuesday afternoon last and remained in session a short while, when the Prime Minister moved an adjournment until Monday next to enable the Government to consider the Spanish Fish Treaty and incorporate some of its provisions into the Budget for the current year.

THE HUMBER AND EMPLOYMENT

The Advocate recently has been asking the question, Why are not more men at work? This question has special reference to work on the Humber, and is a very pertinent and important one, and one which we ourselves and thousands of others have been asking, but being away from St. John's, the seat of Government and the center of all knowledge, we could not find out the trouble.

The Advocate suggests that the trouble is with the contractors, and calls on them "to get a move on and justify the initiation of this Humber industry by meeting some of the demands for employment throughout the country."

There are hundreds of men still in this section looking for employment and waiting for the promised work on the Humber. If the Advocate's suggestions are taken, namely for the Power and Paper Co. to start logging operations, build camps, roads, houses, etc., then thousands of men could be employed.

The Advocate also points out that there can be no excuse now why the work cannot go ahead, as the measure has been ratified. "Representatives" look in vain to the management for passes, and the people's appeals cannot be acceded to."

The Guardian, on behalf of the unemployed in this section, voices the same request as the Advocate, that a move be made to speed things up on the Humber.

Mr. Enos Hollett, of Toronto, an old Toronto friend of the Editor of the Guardian, and known by quite a number of Bay Roberts people, is visiting his old home at Blackhead, B.D.V. Mr. Hollett is a typical Newfoundlanders who has done well in Toronto, being engaged in the contracting and building line. He has always been keenly interested in any Newfoundlanders visiting Toronto or seeking employment there.

OBITUARY

At Forteau, Straits of Belle Isle, after a comparatively short illness, there passed away, Elfreda, beloved wife of Alfred Buckle, aged 33 years.

Deceased leaves a husband and six children to mourn the loss of a loving wife and mother; also two brothers, two sisters, and aged father and mother, George and Elizabeth Barney, (nee Gosse of Spaniard's Bay) now residing at Lance au Loup.

Mrs. Buckle was a kind and pleasant dispositioned woman and will be sadly missed and long remembered by her friends. Her passing came as a shock to her many friends who were hoping for and expecting a speedy recovery. Having her peace made with God, we might well say, "for her to live was Christ and to die was gain."

To a mourning husband, children, father, mother, brothers and sisters, we extend sympathy.

"Even now by faith we join our hands with those who went before;

And greet the blood-besprinkled bands, on that eternal shore.

Our spirits too shall quickly join, Like theirs with glory crowned, And shout to see our Captain's sign To hear His trumpet sound.

Asleep in Jesus! Blessed sleep From which none ever wakes to weep! A calm and undisturbed repose, Unbroken by the last of foes."

ITEMS OF NEWS.

There was a fairly good sign of fish on the local fishing grounds this week. Nearly 100 qts. have been secured in this locality.

Attention is called to the advt. re the Church of England Garden Party and Sports, which appears on our first page. The event takes place on August 1st.

Miss Winifred Whiteway spent Wednesday in this town and returned to Mr. Grace by the night's train. Mrs. W. Simmons of Mr. Grace was in town on Wednesday and was the guest of Mr. and Mrs. Cyril Mercer.

Mr. Cecil J. Reynolds, Rhodes Scholar for 1922, of Lower Small Point, B.D.V., is in town spending a few days. He is the guest of Dr. T. C. McLeod.

An imported heifer that Mr. Herbert Sparkes had in the country feeding caused a lot of excitement and did considerable damage when on Wednesday Mr. Sparkes and his helpers were trying to catch it and bring it out to Shearstown. It overturned a wagon and damaged it, and it was only by the most careful planning and scheming they managed to get it to Shearstown.

The Annual Meth. Picnic was held on Wednesday, July 18th. At 11.30 the teachers and children assembled at Snowden Hall and with the Scout Band paraded to Calpin's Farm. The day being an exceptionally fine one, the children enjoyed all the outdoor games while the senior boys played football. Later in the evening the young people went to Snowden Hall where a very pleasant time brought the picnic to a close.

L. O. B. A. OUTING

On Thursday morning, July 12th, the sisters of the L.O.B.A., took the train for Makinson's where they were to hold their outing. At Clarke's Beach they were joined by quite a number of ladies and with baskets of good things, the day promised to be very enjoyable.

After they had partaken of their lunch at noon, an invitation was sent them to visit the home of Mrs. Makinson. They paraded in a body thro the beautiful grounds and were treated with hospitality at the Makinson home. The social hour closed with the singing of the National Anthem, after which the ladies took the night train for home. To one and all the day will be an event to be remembered.

GIRL GUIDE MOVEMENT

A number of young ladies who were interested in the Girl Guides being formed in this town, called a meeting in the C. of E. Academy on Tuesday night, July 17th. It was encouraging to the promoters to see so many present at the meeting. Following a discussion on the Girl Guide Movement the below officers were appointed:

Captain—Miss Myrtis Dawe.
Captain's Lieut. — Miss Dorothy Fraser.
President—Miss Barbara Calpin.
Treasurer—Miss Gertrude McLeod.
Secretary—Miss Barbara Calpin (Acting).
Acting Commander—Miss Doris Mercer.
Patrol Leaders—Misses Mary B. Mosdell, Madge Greenland, Gertrude McLeod and Eva Crosbie.

Following the Election of Officers, patrols were formed up and further discussions took place. Judging by the interest manifested on the first night of meeting the movement promises to be a great success in this town.

ITEMS OF NEWS.

Mr. Wesley Gosse, of Spaniard's Bay, has been appointed Secretary to the Minister of Public Works, Mr. Piccott.

We beg to thank Mr. J. W. Mercer, Secretary of the Y. M. C. A. at Orillia, Ontario, for copies of newspapers, magazines, etc.

Messrs. C. Bailey and Wm. Ford went on a fishing trip to Placentia by Monday morning's train.

Miss Nellie Shea, of Carbonear, is here at the Central Telephone Office relieving Miss Rita Dawson, who is on holidays.

Miss Olive Snow, of St. John's, is spending a vacation with Mr. and Mrs. Edward Snow.

Mr. George Andrews, of St. John's, was here during the week and was the guest of Mr. and Mrs. James Pepper.

Miss Lillian Gosse, daughter of Mr. and Mrs. Josiah Gosse, Spaniard's Bay, is spending a month's vacation with her parents. Miss Gosse graduated and received her A.T.C.M. degree in music from the Toronto Conservatory of Music, subsequently taking a position as teacher of music at Bishop Bethune College, Oshawa, Ont. About a year ago she accepted a position as teacher at the Conservatory of Music attached to Harvard University, Boston, Mass and we learn is filling the position very creditably.

Mix a little tolerance, some sympathy, considerable cheerfulness with a lot of intelligent work; then kindle the fire of kindness under this kettle and let the batch boil down. You can catch more customers with this syrup than you will catch with a vinegar face.—Van Amburgh.
