

*The Marquis of Lansdowne Medal* will be given to the student taking the highest place in the Academy class.

It has been resolved by the McGill and Bishop's Universities, and by St. Francis College, Richmond, to accept the Academy course in the Normal School as the equivalent of the first year in their Faculties of Arts, on certain equitable conditions, so that all who have passed satisfactorily through that course are entitled to enter the second year of the courses in Arts without further examination. The McGill University also offers free tuition in the Faculty of Arts in the second year to such students of the Academy Class, not exceeding three in number, as at the final examinations take 75 per cent. of the total marks, with not less than two-thirds of the marks in Latin and in Greek. The same privileges are accorded to male Students by the University of Bishop's College, thus enabling them to obtain the degree of B.A. in two years instead of three. By authority of the Protestant Committee of the Council of Public Instruction, the McGill Normal School is authorized to pay a bursary of \$25 to such of its Academy pupils as enter any of the institutions above named, under the provisions here cited, provided they do not take a bursary or exemption from fees, in the institution they enter.

All the preceding regulations and privileges apply to female as well as to male students.

Persons holding the degree of B.A. or M.A., of any British or Canadian University, may receive the Academy diploma, in accordance with the Regulations of the Protestant Committee of the Council of Public Instruction.
