TO SUMMARIZE THE INFORMA- Mummy cloth is used to TION PRESENTED IN LEADING Its failing is found in a tendency to paign at a public meeting this even-FASHION ARTICLES the main feadraw. Irish linens and cottons that ing. tures of the spring and summer fash have been embroidered by hand are found in several lines, although used Army immigration work in Canada, is ions are simplicity of outline and a wealth of detail, the latter so contrived, chiefly in extreme models. There is also however, as to be unobtrusive. The new note of the season is the union of the princess and empire effects, the eliis the newest and most attractive. mination of the waistline constituting

the most marked innovation. Whatever newness there is in the character of the materials employed is in the nature of a further development of the tendency towards the use of sheer fabrics which has for some time been apparent. Everything, be it wool, silk, cotton or linen, must be light and applying lace this season the effort is In the ornamentation of garments simplicity of general effect is with the other style features of the count of the illness of his mother, Mrs. the keynote, yet this apparent lack of ostentation is on close examination found to be belied by a mass of detail hich will cut a considerable figure in the price of women's wear during the coming season. Exchange the mono-tone effect which fashion demands for one of color contrast and the characteristic of the season's trimming vogue, in place of simplicity, would be richness, if not gaudiness. The trimming range covers a wide variety of materialsembroideries, braids, cords, galloons that the jersey-top petticoat will conribbons and buttons. Frequently two or more forms of the same kind of trimming are employed in combination petticoat that eliminates all fulness For instance, two kinds of braid are and bulk at the waistline and over the employed in unison and in some in hips. The demand, of course, will be for the silk jersey with the better stances as many as four styles of buttons are placed upon one costume trade and the cotton jersey in less ex-Gold and silver effects are seen in alpensive lines. The jersey-top skirt is most every kind of ornamentation. The entirely in accord with the princess lingerie effects, the matching of hat, gown, and for that reason it may prove gown and wrap, and the use of a vara garment for all-the-year selling. lety of wraps for special occasionsese are among a number of marke EVIDENCE IS MULTIPLYING tendencies which promise to exert a THAT THERE IS TO BE A LARGE

Magistrate O'Reilly, who is the presiding justice in the court, has not yet fully recovered from the effects of the "joke," as it is termed, on George the German interpreter Schleiman, The man who caused the stir in the court is George Armbruster, a fireman who lives at 255 Wyckoff avenue. He was the complainant against Edward street. Ramler is a foreman, and is employed at the Havemeyer Sugar Armbruster was formerly employed as a fireman at the same works.

ler, who was of the opinion that Arm bruster had been talking about him, met the fireman in the street. According to Armbruster the meeting was anything but a pleasant one, for Ramler tried his prowess upon his face and shoulders in a rather decisive manner. Armbruster, being too good a citizen to friend and asked him what George is not very familiar with court proceedings, so the reporter, with the help of another of his craft, secured a warrant for the arrest of Ramler. The same reporter was responsible for

George obtaining his citizen papers a few years ago. After the warrant had been obtained Ramler was taken into custody and the case came up in court.' Remembering his instructions, George was at court early and waited patiently until the Finally Magistrate case was called. O'Reilly reached the case.

George was put on the stand. After telling his name to the stenographer, the magistrate, noticing that he did not speak English very fluently, called Mr. Schleiman schleiman, the interpreter. was told by the magistrate to have the prisoner tell, or show, exactly how he had been assaulted.

Immediately there was a commotion George became excited. So did the in terpreter, for George, with the reporter's instruction looming very vividly before his mind, did do what he was told. He caught the interpreter b shoulder, uttered the profane expres
