FRIEND OF THE CANADIAN!

HOLLOWAY'S PILLS.

EXTRAORDINARY CURE FOR ASTHMA!!

OF AN OLD LADY SEVENTY FIVE YEARS OF AGE.

Copy of a letter from Mr. Thomas Weston, (Book Store,) Toronto, dated the 9th October, 1854.

To Professor Holloway.

SIR—Gratitude compels me to make known to you the extraordinary benefit an aged parent has derived from the use of your Pills. My mother was afflicted for upwards of four and twenty years with asthma and spitting of blood, it was quite agony to see her suffer and hear her cough; I have often declared that I would give all I possessed to have cured her; but although I paid a large sum for medicine and advice, it was all to no purpose. About three months ago, I thought perhaps your Pills might benefit her, at all events I resolved to give them a trial, which I did, the result was marvellous; by slow degrees my mother became better, and after preserving your remedies for nine weeks, she was perfectly cured, and now enjoys the best of health, although seventy five years old.

I remain, Sir, your obliged,

(Signed) THOMAS WESTON.

REMARKABLE CURE OF DROPSY!!

AFTER BEING TAPPED THREE TIMES.

Copy of a Letter from Anthony Smith, Esq., Halifax, Nova Scotia, dated 20th August, 1854.

To Professor Holloway,

SIR,—I desire to add my testimony to the value of your Pills, in cases of dropsy. For nine months I suffered the greatest torture with this distressing complaint; was tapped three times, and finally given up by the doctors; having become in appearance as a skeleton, and with no more strength in me than a child just born. It was then that I bought of trying your Pills, and immediately sent for a quantity, and commenced using them. The result I can scarcely credit even now, although true it is. After using them for four weeks, I felt much better, and by persevering with them, at the expiration of two months, I was completely cured. I have since enjoyed the best of health.

I am, Sir, yours sincerely,

(Signed) ANTHONY SMITH.

ASTONISHING CURE OF GENERAL DEBILITY AND LIVER COMPLAINT.

Copy of a Letter from James Reeves of Charlottetown, Prince Edwards Island, dated 11th Nov. 1854.

To Professor Holloway.

SIR,—I am happy to say that your Pills have restored me to health after suffering for nine years from the most intense general debility and languor. my liver and bowels were also much deranged for the whole of that time. I tried many medicines but they were no good to me, until I had recourse to your Pills, by taking which and following the printed directions for seven weeks I was cured after every other means failed to the astonishment of my neighbours, acquaintances and friends, I shall ever feel grateful to you for this astonishing restoration to health, and will recommend your Pills to all sufferers, feeling it my duty to do so.

I remain Sir, your humble servant,

A few out of 50,000 cures are here given:—

CURE BY THE EMPEROR OF RUSSIA.

Russian Consulate General,
London, Dec 2, 1847.

The Consul General has been ordered to inform Messrs. Barry Du Barry & Co., that the Revalenta Arabica they had sent to His Maj'sty the Emperor, has, by imperial permission, been so warded to the Minister of the Imperial Palace.

Cure No. 71, of dyspepsia from the Right Hon. the Lord Stuart de Decies:—"I have derived considerable benefit from Du Barry's Revalenta Arabica Food, and consider it due to yourselves and the public to authorise the publication of these lines.—STUART DE DECIES."

Cure No. 49,832—"Fifty years' indescribable agony from dyspepsia, nervousness, asthma, cough, constipation, flatulency, spasms, sickness at the stomach and vomiting have been removed by Du Barry's excellent food.—Maria Jolly, Madgeburg, 16th Sept. 1853.

My wife, having suffered for years from a pulmonary complaint, became so ill at the beginning of this year, that I looked daily for her dissolution.—The remedies which hitherto had relieved her yet resisted now without effect, and the ulcerations of the lungs and night sweats debilitated her frightfully. It was in this evidently the last and hopeless stage of pulmonary consumption, when every medicine seemed powerless in even affording temporary relief—that I was induced by a medical brother from Harlower, who makes pulmonary consumption his special study, and treats it with Du Barry's Revalenta Arabica, to try this strengthening and restorative food, and I am happy to be able to express my astonishment at its effects. My poor wife is now in as perfect a state of health as ever she was, attending to her household affairs and quite happy. I is with pleasure and the most sincere gratitude to God for the restoration of my wife, that I fulfil my duty of making the extraordinary efficacy of Du Barry's Revalenta, in so fearful a complaint, known; and to recommend it to all other sufferers.

GRIES, M.D.

CERTIFICATE FROM DR. GATTIKER.

Zurich, 3d September, 1853.

I have tried Du Barry's Revalenta Arabica for a complaint which had hitherto resisted all other remedies—viz.: CANCER OF THE STOMACH; and I am happy to say, with the most successful result. This soothing remedy has the effect, not only of arresting the vomiting, which is so fearfully distressing in cancer of the stomach, but also of restoring perfect digestion and assimilation. The same satisfactory influence of this excellent remedy I have found in all complaints of the digestive organs; it has also proved effectual in a most obstinate case of habitual flatulence and colic of many years standing. I look upon this delicious Food as the most excellent restorative gift of nature.

DR. GATTIKER.

Plymouth, May 9th, 1851.

For the last few years I have been suffering from dyspepsia, headaches, nervousness, low spirits, sleeplessness, and delusions, and swallowed an incredible amount of medicine without relief. I am happy to say that your Food has cured me, and I am now enjoying better health than I have for many years past.

J. S. NEWTON.

Devon Cottage, Bromley, Middlesex, March 31 1849.

GENTLEMEN,—The lady for whom I ordered your food is six months advanced in pregnancy, and was suffering severely from indigestion, constipation, throwing up her meals shortly after eating them having a great deal of heartburn, and being constantly obliged to have recourse to physic or the enema, and sometimes to both. I am happy to inform you that your food produced immediate relief. She has never been sick sence, had not little heartburn, and the functions are more regular, &c.

You at liberty to publish this letter, if you think it will tend to the benefit of other sufferers.
