More than \$200,000,000 of personal property is taxed, and more than \$563,000,000 of real estate. The Boston and Albany railroad company pay a tax of \$108,205, and is the heaviest taxpayer on the list. The actual amount of wealth in the city is, of course, only faintly indicated by the \$200,000,000 of personal profits assessors found. Vast sums are invested in untaxable bonds, and great sums are undoubtedly concealed, while still other vast sums, partly represented by the \$100,000,000 which are annually paid in dividends to Bostonians, are invested in other States and taxed there.

Don't rub the dirt out of your

clothes because your ancestors did. Keep up with the times. Try modern ideas for saving labor. James Pyle's PEARLINE leads all of those which pertain to cleanliness. What is it that frays your collars, cuffs and skirts and pulls off the buttons and strings? What is it that ruins your paint? It's the old-fashioned way of rub, rub, rub, to make clean. PEARLINE does away with most of the rubbing, so it saves the worst of the wear. You don't want an imitation, do you? Beware of them. PEARLINE is manufactured only by James Pyle, New York, notwithstanding the plausible stories told by peddlers and some grocers to the contrary.
