CONSUMPTION CAN BE CURED IN THE FIRST STAGES.

A Beautiful Girl Saved From Dread Consumption—Other Wonderful Cures.

Miss Amelia Weymer, Appleton, Wis., writes: "Early last summer I contracted a cold which seemed to hang on to me and could not be shaken off. From the head I went to the throat, and then affected my lungs. My mother felt very anxious and as we had used Peruna in the family before, she advised me to try it. I was somehow very opposed but was persuaded to try Peruna. Using it one day convinced me that it was no ordinary medicine, within a week I was much better and in two weeks I was well, and I felt much stronger and in much better health generally. I was perfectly satisfied with the results from the use of Peruna."

Miss Amelia Weymer.

CATARH CAUSES CONSUMPTION

Peruna Never Fails to Cure Catarrh Wherever Located.

The medical profession has so thoroughly prejudiced the minds of the people against patent medicines that it is with great reluctance that anyone can be persuaded to try such a remedy at first.

In nearly every one of the thousands of remarkable cures that Peruna has made the patients had to be persuaded by friends who stated before them could lay aside their prejudice against it.

A large multitude, of course, hold out simply because they have allowed their minds to be poisoned against this very excellent remedy.

But fortunately there is another large multitude of people who are able to shake off their prejudice and try Peruna before it is too late.

The first week it produces a decided change for the better. A few weeks continued treatment cures the patient. Then another happy man or woman is added to the long list of people who are praising Peruna.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, O.

It is the praise of those who have been cured by Peruna that makes this remedy so popular and so extensively used. No advertisement could have accomplished this result.

Peruna cures the first stages of consumption by removing the cause, which is chronic catarrh. The catarrh, which has been cured the cough and other disagreeable symptoms cease.
