Watch Repairing.

In this branch of the trade we are not excelled by any house in the Dominion. Having the service of a Watchmaker from the School of Horology, Toronto, together with our own experience gained while in the employ of the following well-known English watchmaking establishments:

Mr. J. V. Yolland, Duke St., Manchester Square, London

Mr. J. L. Owens, Middleton St., Clerkenwell, London.

and Mr. Thos. Wright Pocket Chronometer Maker, Liverpool.
