Waist Offer

Send us 99 cents for one of these high-class stylish English Mercerised Sateen Waists, if you would like to get a waist that looks more like a real satin waist, instead of sateen, and a waist that will fit you better and give you a more stylish appearance than any ready-to-wear waist you could buy elsewhere at any price. It is made of genuine English Mercerised Sateen, in the very latest style, the same style that the most expensive silk waists are made in. It has six rows hemstitching on the front and three rows on the back. In one of these waists you will have just as stylish and dressy an appearance as the illustration shown here. Send us only 99 cents for one of these really stylish waists, examine it carefully, try it out in every way, put it on and see how you like it, and then, after you have put it to every test, if you are not fully pleased, send it back at our expense, and get your money back, for we could not expect you to wear a waist that did not fully please you in every way. Bust measure, 34 to 42. If waist is to be sent by mail, add eight cents extra for postage.
