HARRIERS TO VANCOUVER

The UNB Red Harriers made it eleven in a row last Saturday. It was their 11th straight AIAA cross-country championship and the 12th in the 13 year history of the competition.

Dalhousie's Richard Munro was the top individual as he covered the 5-mile course in a

time of 25 minutes 7 seconds. This was the second title in a row for Munro and marks him as one of the outstanding runners in the Maritimes. Dick Slipp finished 38 seconds behind him to grab second place and Dal's Bob Book took third spot.

UNB hosted this year's

championships. The course was set out near the Maritime Forest Ranger School. Four universities were entered with seven runners competing from each school. All 28 participants finished the course. The only real competition was between UNB and Dalhousie as the entries from both Memorial University of Newfoundland, and Acadia University finished far down in the standings. Final standings had UNB first, followed by Dal, MUN and Acadia.

The Harriers will now travel to Vancouver the weekend of Nov. 14 for the CIAU championships. Last year we placed 3rd out of five associations in the competition and this year will be hoping to improve that performance.

Team Scores

1. UNB 24 points
2. Dalhousie 35
3. MUN 81
4. Acadia 120

SWIM TEAM

The first swim meet of the year for the U.N.B. Mermaids and Beavers will take place this weekend in Bangor, Maine, where they will be pitted against the Bangor "Y" swimmers.

Last year the team had varied successes with the Bangor swimmers. The Mermaids were able to take the opposition and defeat them with a score of 52-43. On the other hand, the Beavers found the "Y" men a tough team and ended the meet with a 60-34 defeat. Now, after several weeks of intensive training in the Sir Max Aitken Pool the team is ready for them and will try to prove that their increased depth and swimming power will help them overcome the Bangor team.

Coaches Mary Lou Wood and Amby Legere have a combined effort of some 36 swimmers and divers representing the university in their fight to keep the University of New Brunswick number ONE in the swimming channels of the Atlantic Provinces.

By Peter Collum

A hearty congratulations to Coach Early and his Cross Country team. Last Saturday they won their eleventh consecutive championship. They defeated Dalhousie 24-35. Dick Slipp finished second in the individual honours. The Harriers next official meet is in Vancouver on November 14, and it is the National Championship. UNB placed third last year, - I hope they do better this year.

The Bombers accomplished the inevitable Saturday, as they stomped Mt. A in to the muddy field by a score of 31-0. The Bombers now have a two week lay-off before they play UPEI. I can easily see a UPEI victory. With former Bombers stars Dan Paiov and Fred MacLean, the Panthers will be "up" for the game, and every one likes to beat a champion.

The bubble burst for the soccer team last Friday. They lost 9-0 to Memorial. A real upset considering the Red Shirts were undefeated. They deserved to lose the game, because they didn't play aggressively, I don't think they had a direct shot on the Memorial goal-keeper. Let's hope the thrashing smartens them up, so they can still finish high in the standings.

The Red Devils have started their training under new Coach Jim Morell. He's got his hands full, because after last year's good showing, we expect better.

A side-note to the Bombers: Two Mt. A players were overheard after the game muttering "you can't play football on a muddy field like this". Too bad they won't be available to play in the Atlantic Bowl - now that's a mud bath.

UNB is rated by football coaches across the nation, to be the Number Three Team in Canada. It's about time.

Atlantic Bowl Tickets are now on sale at the Athletics Office in the Gym. I expect a helluva good turnout for the game, the larger the group the louder the roar after each touchdown.

The fall sports season starts in earnest with basketball practises being held next Monday, November 2nd between 5:00 and 6:30 pm. Professor Mal Early has taken charge of the Raiders this season, because Prof. Nelson has taken sabbatical leave for one year, to further his education.

The Red Rebels defending AIAA Volleyball Champions also commence practicing Monday night between 6:30 and 8:00 pm. THE TEAM is also under the competent direction of Coach Early. Aspirations are high that the Rebels will repeat as champions. Coach Early expects that everyone who came to the organizational meeting will be out to practice - the word for this year is "Montreal Soixante-et-onze".

UA Race Results

The fifth year Surveying Class had the fastest kart at the 1970 running of the "Great Race" for the United Appeal.

The Great Race held on Oct. 24, 1970 earned a total of \$700 for the Fredericton United Appeal Fund. The race was run during the half time intermission at the UNB-Mt. A football game. The event was held on the Queen Square field.

The winning entry was a four wheel kart, driven by Bill Robertson and pulled to success by Edward Ogunbayo, Gibson Werugia, Tom Lockhart, Glen Braithwaite and Keith Aucoin all members of the fifth year Surveying Engineering Class.

Mr. Byron Lawrence, of the United Appeal presented the Great Race trophy to the team captain Keith Aucoin shortly after the race. This trophy will be on display in the Engineering Library.

The kart having the best design was built by the fourth year Civil Engineering Class. This team were runners up in the race.

Third place in the race went to last years winners the fifth year Civil Class.

The kart having the most sponsors was the fifth year Mechanical Class. They obtained a total of 17 sponsors donating \$220 dollars.

Seven karts took part in both the parade held in the morning and the race. Karts were entered by the second year Engineering Class, fourth and fifth year Civil, fourth and fifth year Electricals, fifth year Mechanical and fifth year Surveying.

The "Great Race" is an annual event organized by the Engineering Undergraduate Society to earn money for the United Appeal.

IRONMEN MAKE IT 4

UNB's Ironmen lengthened their undefeated streak in rugby by action to four games Saturday when they slugged to a 0-0 tie with the Fredericton Loyalists.

Ironmen dictated the play throughout the game, winning the set plays, scrams and line-outs and dominating the Loyalists in the loose. Due to the mud-bath conditions of College Field UNB's attack was typified by erratic running and passing. The ironmen had two sure tries called back.

UNB continued their NB Rugby Union Championship drive playing well as a team; no-one had a bad game. Grant Vistorino was a stand-out at

scrumhalf, breaking tackles making plays and setting up UNB's backfield with good passes from the set. Also giving strong support to the UNB game were scrum-men, captain Bill Fell, Ken Whiting, J. McKay and Peter Pacey and wings Bob McConnell and High Dickison.

Tomorrow, 3 o'clock at Fredericton's Exhibition Raceway, UNB will play their final and most crucial game of the regular season when they meet first place St. John Trojans. Should UNB win, the union will end in a fourway tie. This would mean first place to UNB, by virtue of its point spread margin.
