Dr. A. T. Stewart of Atomic Energy of Canada Ltd., Chalk River, Ont., addressed the faculty and students of the Dal physics department and other Halifax physicists at the Nov. 30 meeting of the Physics Journal Club.

Dr. Stewart, a graduate of Dalhousie and Cambridge, spoke on research in positron annihilation carried on here during the 1953-54

term while he was associated with

the physics department in the ab-

sence of Dr. Archibald.

Material Prepared

According to King's President H. L. Puxley, a reporter and a photographer from the staff of The Standard and Weekend Magazine Pharos Office immediately. came unexpectedly to the college last week and prepared material for an article which may be published in the near future.

Atmospher

Mr. Cyril Robinson, associated mr. Cyrn Robinson, associated with Weekend's Maritime Bureau, has revealed that both he and the photographer, Mr. Bert Beaver, thoroughly enjoyed visiting King's college and meeting the faculty and students there. Seeking to capture the homey ATMOSPHERE, the vast facilities, the entertain-ment and the high scholastic stand-ard which King's has to offer, Mr. Beaver photographed students en-joying coffee around a fireside, chapel services, classes, libraries and various sports including the annual mixed ground hockey game.

Noted for its marked ability in handling articles of this type, The Standard and Weekend Magazine, in using the King's story will bring the way of life and fine traditions of this college to the greater part of the Canadian populace.

Three Parties grant \$500. towards defraying the expenses of the NFCUS National Conference of 1956. In Running

Three parties have currently signified their intention of contesting campus elections for the Dalhousie Model Parliament to be held February 15 and 16. The three parties are Conservatives, Liberals and Maritime Rights.

Sodales have announced that any further groups wishing to organize must indicate their intention to do so by January after which others will be included only upon submission of a petition containing 30 names.

Saints' Choice Popular Anne Thompson will be

the Pine Hill candidate for campus queen on Munro Day. The unanimous choice of the men of Pine Hill Residence, Anne is active in a wide variety of campus activities and stars at basketball and volley-

ANNE THOMPSON (Photo by Jollymore)

Since coming to Dal from New Glasgow in 1952, Anne has won for her interest in college activities a silver D in '53 and a gold D in '55. This year she is chairman of the Monroe Day Committee, on the Pharos Executive, the D.G.A.C. Executive and active in the Glee In the past, Anne has been secretary of Arts and Science Society ('53-'54), on the Delta Gamma Executive ('54-'55) and on the Shirreff Hall House Committee ('53-'54, '54-'55). Last year Anne was a candidate for the

Junior Queen.

This is Anne's final year at Dal and she will graduate in the spring men's Intercollegiate Trophy. This trophy is given to the winner of a round robin tournament with each

The fourth trophy, the Intermediate Intercollegiate trophy is offered to the winning interme-diate teams of the different universities. So far Dalhousie, Acadia, Mt. St. Bernard and King's have been the only entries,. The Dal second team won this trophy in 1953 and 1954, Acadia in 1951 and 1952 and in 1955 Dal lost

Anne Thompson Baby-Sitting, P.O Top The List

The outlook for student employment over the coming Christmas holidays is much the same as it has been in previous years, although new regulations issued by the Post Office will limit the number of students employed there.

The principle types of employ-

post office work, selling Christ-

mas cards and snow removal.

baby sitting, dishwashing and department store work will be the

out to Mt. St. Bernard. A round out to Mt. St. Bernard. A round robin tournament, so far played alternately at Dal and Acadia, has decided the winner. The second team also won the consolation prize in the Nova Scotia Provincial playoffs in '53 and '54. However, they were defeated by New Waterford in 1955.

The standard of basketball in the universities has been kept quite high as is shown by the number of trophies offered to the different

His talk also included a description of his work at Chalk River. Money Week Plans Set

Peter Bennett, social director of Dalcom has announced final arrangements for the Commerce Company's "Commerce Week", the ment offered Dalhousie students second week of January. This will be a week of social dividends to for the Christmas holidays this year are: clerking in department shareholders and an opportunity for the general public to join with Commerce at the outstanding instores, working on the railroads, formal dance of the season, the weater Dance. For the female of the species:

Mr. Bennett assures all, both shareholders and friends of the Company of a memorable Sweater Dance, to be highlighted by a gala Fashion Show and Male Chorus Line, as well as a planned Sweater pays a dollar an hour, with a \$5.00 minimum, while Christmas Fashion show, plans of which are hoped to be finalized soon. Eve tot-watching pays the same

The object of Commerce Week is to concentrate Dalcom activities on Commerce and Commerce stu-dents in particular to give them a chance to have a good time and also to let Dalcom, the youngest Student Society take its place as a well-known and understood student group organized in the form of a corporation. Dalcom sincerely hopes that all Dal students either Commerce or otherwise (even their respected antagonists, the Engineers) will avail themselves of the opportunity to meet Commerce socially and purchase tickets to the Sweater Dance.
