### Terms and Conditions on which all Messages are received by this Company.

In order to guard against and remove as much as possible some of the errors arising from mismanagement and other causes appertaining to telegraphy, every message should be repeated, by being sent back from the station at which it is to be received to the station from which it is originally sent. Nor will the Company be responsible for any error or delay in the transmission or delivery, or for the non-delivery, of any unsent message, beyond the amount paid for sending the same, unless in like manner specially insured, and amount of risk stated hereon, and paid for at the time. No liability is assumed for errors in cipher or cleve messages, nor for any error or neglect by any other Company over whose lines this message may be sent to reach its destination, and this Company is hereby made the agent of the sender of this message to forward it over the lines extending beyond those of this Company. No agent or employee is allowed to vary these terms, or make any other or verbal agreement, nor any promise as to the time of performance, and no one but a Superintendent is authorized to make a special agreement for insurance.
