Dear Mr. Hartman:

Allow me to thank you most sincerely for your more than kind letter of the 27th ult. I need hardly say that your congratulations and good wishes are very deeply appreciated. It will be, as you suggest, a pleasure to reciprocate Mr. Whitney's attentions when further opportunity presents, and you may rely upon my doing all in my power towards perfecting organization in this province toward that end.

With kind regards, believe me,

Yours sincerely,
