Gadsby ~~ALIX~~, Alberta, October 19 1925

Dear Mr. Meighen,

Your congratulatory note from Vancouver was awaiting me on my return home for the west. end; many thanks for your welcome.

I find many electors saying little but thinking a lot. While the situation here is hard to size up, I am confident the swing is our way and believe there is at least a very good fighting chance to be numbered among your supporters when the House is called together.

Sincerely yours,
Albert Scott
