the farming people. He is only 24.
This idea is appeal to them as
the Conservation party as the party
of opportunity, the party with
national ideals for a farming man
etc. It is an idea worth
consideration and I have passed
it on to Ferguson.

I believe now that we have
a wonderful chance to capture
Manitoba. This will headen the
party from coast to coast.
We ought as soon as
possible to take steps for
a strong federal organization.
