

9227

11 March 8

Sir,

I have to inform you that the same number of blankets as was purchased last year at Toronto for the Indians will be required this year.

You will please call upon Messrs. McMaster and such other wholesale houses as you may consider advisable to forward to the Department samples of the blankets they may be prepared to supply with the prices attached to each.

Sir,

Sir,

Your obedient

A. McMaster

Agent of the Ministry

of the Interior.

William Alexander Esq

250 Bloor

Toronto

Ont.
