Ottawa, March 26, 1920.

Sir.-

11

I have to acknowledge the receipt of your letter of the 17th instant enclosing a requisition from the Rev. R. C. Taylor, teacher of the Samson Day School, for a bell.

In reply I beg to say that the Department is not prepared to supply a bell for this school, as the building in which it is held is not the property of the Department. You will be good enough to inform Mr. Taylor accordingly.

Your obedient servant,

Asst. Deputy and Secretary.

J. Butlin, Esq.,
Indian Agent,
