Meadman's Creek Res. May 21<sup>st</sup>

We the Chief and principal men of the Meadman's Creek Reserve in Council assembled hereby give our consent to the application of the Cto. Arch Water Light & Power Coy. Limited, for permission to build a ditch through our Reserve according to plans shown, on the following conditions:-

(I) That we have the first right to water from Meadman's Creek, not to exceed five hundred (500) inches;

(II) That all damage done during construction or otherwise payable be made good to the satisfaction of the Superintendent General of Indian Affairs or his agent;

(III) That this consent does not in any way prejudice existing rights of Mr. Smith's Currier.

(IV) Should the amount of compensation not be mutually satisfactory the result to be left to arbitration as provided in the Indian Act.
