On 29 Sept I went with Sgt Robinson
to St Helen Police where we found RAF
Vehicle 154930. As we approached the
vehicle the accused walked away from it.
He walked across the way. We walked up
to him, asked him if he had been driving the
jeep. He said yes. After being cautioned, the
accused said he had driven an officer
into a hut so he had thought this was
his jeep. Sgt Robinson put his hands on
me and ordered him to accompany us to
the jeep. On the way back in the jeep,
the accused jumped up & almost knocked me
out he then grabbed my hands & forced it against
an upright of the jeep
