

The Kennedy School is for young people who are worthy of more than mediocrity. Are you in that class? Then let us proceed.

What will a Kennedy School training do for you? Well, to illustrate—it enabled a young lady to fill a secretaryship at \$1,000 a year, a few months after leaving our school; a boy 18 years of age, who graduated a few weeks ago, to go at once to a position at \$75 a month; another young man, a recent

graduate, to earn \$1,200 a year as secretary to a railway official; and so with many others.

If you have the grey matter we can make it commercially valuable. A good position is waiting for you. The Kennedy School is different. Send us your name and we will tell you a lot about it. If you are the student we want, you will do it right now. Kennedy Shorthand School, 9 Adelaide Street East, Toronto.
