

PRESBYTERIANS: Co-operate with the General Assembly's Committee of Publication. If you are a Presbyterian it is your Committee; therefore purchase your Sunday School, Church and Young People's Supplies from your own Committee.

If all the members of our Churches would patronize their own Publishing House, we would have a business which would take a foremost place in the business establishments of Canada.

No order is too small, and none too large, to receive our careful attention. All orders are promptly and intelligently executed. The mail service brings us within reach of every person throughout the Dominion.
