

The new Roman Catholic church at Cork, N. S., has just been completed. The plans for the church were drawn up by Montreal architects, the building as now completed being a great credit to those who did the work.

The Canadian Smelting Works at Trail, B. C., are busily engaged in erecting a plant for making lead pipe. They contemplate erecting a plant for the manufacture of sheet lead, providing the lead pipe plant shows satisfactory earnings.

Montreal August 6th: The arrivals of firebricks last week were 75,763. The demand for bricks is limited and the market is quite but no change in prices to note, prices being as follows: English brands \$19 to \$22, and Scotch \$18 to \$23 per thousand ex-wharf.
