

WHAT HAS BRITAIN DONE?

By Rev. Frederick B. Hodgins, B.A., formerly of Toronto, in The New York Herald, August 24.

What has Britain done?

Kept the faith and fought the fight
For the everlasting right;
Chivalrously couched her lance
In defence of Belgium, France,
This has Britain done!

What has Britain done?

Given every seventh son,
Met the challenge of the Hun;
Placed her men on every field;
Proud to die, too proud to yield.
This has Britain done!

What has Britain done?

Answers every far-flung breeze
Blown across the Seven Seas:—
"Watch and ward secure we keep
Vigilance that never sleeps."
This has Britain done!

What has Britain done?

On every front, her flag unfurled,
Fought a world-war round the world;
Then, when all is said and done,
Ask her allies, ask the Hun,
"What has Britain done?"

What has Britain done?

For her slain Britannia weeps—
She might boast who silence keeps,
But, when all is done and said,
Call the roll and count the dead,
And know what she has done.
