Both the engine and the ensilage cutter are, without doubt, the best machines I have ever seen—strong, durable and very easy running. I have filled eight silos with my outfit this fall. Yours truly, Wm. E. Main, New Dundee, Ont.

The most fascinating of all sports

Trap-shooting! The "sport alluring"! The one great outdoor game that appeals to everyone—men and women—young and old.

It's full of interest and excitement and with a little practice transforms the "couldn't-hit-a-balloon" amateur into a "crack shot."

Everywhere in Canada, trap-shooting clubs are springing up. If there's one in your town, join it. If not, let us help you to start one.

Get the trap-shooting habit. Also get the habit of shooting Dominion Shells, which are used by more Canadian trap-shooters than all other makes combined.

The reason is simply "all round dependability"—the result of first class materials, a well equipped factory and workmen of the highest skill.

Look for the "Big D" on every box of Dominion Shot Shells and Metallics. It's a guarantee of perfection.

Dominion is "the ammunition made wholly in Canada", and sold everywhere.
