

THE THOMSON & WILLIAMS MANFG. CO'Y OF STRATFORD, ONT.

Guaranteed to cut and handle satisfactorily the heaviest, lightest, shortest, tallest, grassiest, and worst lodged and tangled grain; also the heaviest sowed corn. Lightest draught machine in the market!

Shipped on trial at our expense to any station in Ontario. One of these machines cut lodged clover, rolled down, after other machines had gone over it and failed, at Yarmouth Centre, June 25th, 1878.

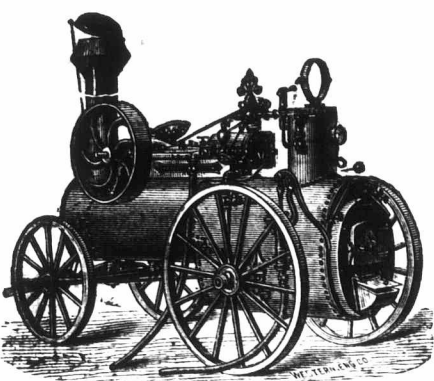

THE JOHNSTON WROUGHT-IRON HARVESTER

THE WORLD'S PRIZE REAPER.

Paris Field Trial at Mormont, July 22nd, 1878—Record, the highest and only prize offered, against 35 competitors.

NOTE VARIETY—Single Mowers, 4 sizes; Single Reapers, 3 sizes; Combined Machines, Nos. 1 and 2.
