

"AMERICAN" FENCE

"AMERICAN" FENCE

DISTANCE BETWEEN
BARS-INCHES

The real test of a fence is the service you get out of it. Test, judge, and compare "AMERICAN" Fence under any and all conditions, and you will find the structure of the fence and the galvanizing of the wire are equal in durability, strength and

efficiency to the hardest usage, and absolutely without equal amongst woven fence fabrics.

Agents in every town.

If you don't know him, write us direct.
