HE most successful farmers and gardeners buy their seed directly from the growers; for this reason we raise largely the most risky kinds, especially Cabbage and Onion Seed. This latter is extra fine this season. No catalogue contains more varieties of vegetable seed, and none more of the new that are really good—see outside cover for an illustrated selection from our new specialties, which we will sell at half rates. Catalogue free. J. J. H. GREGORY & SON, Seed Growers, MARBLEHEAD, MASS.

We make the following offer: Any one paying up his subscription to this paper due at the end of the year 1894 and also the subscription in advance for the year 1895, may have either of the pictures for 50 cents or both of them for \$1.
