## Dr. Denney's "Jesus and the Gospel."

DR. DENNEY'S new book, "Jesus and the Gospel," is the most important contribution that has been made to theology for many years. It must arrest the attention of all who seriously care for religion. Not only those who teach Christianity, but all who think about Christianity in its intellectual aspect may be referred to it as by pre-eminence the frankest, the ablest, and the most conclusive treatment of the central problem which is anywhere to be found.
