**How to Win Battles**

**More Victories are won by siege tactics than by assaults.**

Apply this to business and see what it means: it means that continuous and steady advertising is more resultful than campaigns that come and go, come and go with long intervals in between.

For an advertiser with goods to sell to suspend his selling effort now is to make conditions worse for himself, and is no sign of that courage which is supposed to possess every Canadian heart in these war times.

**Win and hold your position in business by steadfastness in attack.**

**PREPARATION**

In time of peace prepare for War. In time of health and vigor prepare for the unforeseen.

Life Insurance affords the surest preparation.

Examine the Policies of The Great-West Life. Their exceptional vogue denotes exceptional value. Low rates are charged, high profits paid, liberal conditions apply, and in the new provisions pertaining to War Service wide privileges are included.
