Vol. XLIV, No. 848

It takes an axe to drive it into the heads of some people that it is their duty to insure their property against loss by fire, but there is no use being stubborn about it. The benefit of fire insurance is all with the insured. The cost of keeping up a policy is very small, so there is no excuse for any property owner being uninsured. Let us talk this matter over with you, it is distinctly to your advantage.

Don't Risk Ruining Your Butter

by using the cheap imported salt that is being sold throughout the West.

Windsor Salt

COSTS NO MORE THAN these impure salts. Windsor Salt has been the standby for years among Canadian prize butter makers. It is absolutely pure salt—and all salt. No other salt goes so far.
