Capitol Cylinder O

For Steam Traction Engines and Steam Plants

Delivers more power, and makes the engine run better and longer with less wear and tear, because its friction - reducing properties are exactly fitted to the requirements of

steam traction engines and steam plants.

Mica Axle Grease

Traction Engines. Wagons, Etc.

makes the wheel as nearly frictionless as pos-sible and reduces the wear on axle and box. It ends axle troubles, saves energy in the horse, and when used on axles of traction engines economizes fuel and power.

Reapers, Threshers, Plows, Harrows Granite Harvester Oil insures better work from the new machine and lengthens the life of the old. Where-

ever bearings are loose or boxes worn it takes up the play and acts like a cushion. Changes of weather do not affect it.

Gasolene and Kerosene Engines

Standard Gas Engine Oil is the only oil you need. It provides per-fect lubrication under high temperatures without appreciable carbon deposits on rings or cylinders, and is equally good for the ex-ternal bearings.

Every dealer everywhere. If not at yours, write for descriptive circulars to
