Was Killed by A Work Train

(Editor Mail and Advocate)
Dear Sir,—Yesterday, 19th inst., Port Rexton was the scene of a very sad accident.
Mr. George Rex, an esteemed old citizen was driving his cow to his pasture in the country, while crossing the railroad, was struck by a work train, dying an hour later at the residence of his son, Robert. Mr. Rex was the oldest person here, having reached the ripe old age of 87 years and nine months. The deceased leaves six sons and two daughters to mourn their sad loss, to whom the people of Port Rexton extend sincere sympathy.—Cor.

Outragious Conduct of Telegraph Operator

(Editor Mail and Advocate)
Dear Sir,—Would you oblige me by inserting in your paper, *The Mail and Advocate*, the following:
One of the oldest fishermen of Hr. Triton, a member of the Road Board, had occasion to go to the telegraph office to send a message to St. John's. As soon as he entered the door he was knocked down on the floor by the operator and put and knocked down again on the public street by the operator. Then the fisherman was summoned before the Magistrate and he was fined \$5, and the operator was not fined, because he was a Justice of the Peace.
Now, I would like to know if the government of to-day allows this or not. The fishermen did not have time to say good morning before he found himself on the floor of the office. He was going to send a message to Mr. Emerson for the rules of new electric road board.
Sir, I can tell you there is too much of one thing goes into that office that should not be allowed there and he had a good three of it when he struck the poor old fisherman. We ought to be all Justices of the Peace. It seems then we could do anything and no fine.
Yours truly,
FISHERMAN FRIEND,
Harbor Briton, May 20, 1916.

All Ready For Season's Work

(Editor Mail and Advocate)
Dear Sir,—Following the Custom of the Country the fishermen are beginning to get ready for the summer's work. The schooner owners are getting their schooners ready and a start will soon be made for the capital city for their supplies. They will also take along some little lots which our fishermen land. The hand-liners are getting their joints ready and the Union store is getting a call for copper paint, so as they can have their boats ready by the time the first cod is obtainable.
The pioneer for trap fishing this season is friend Zacharus Miller. He had two qts Saturday morning, the first for the season, and "following the custom" everyone was desirous of obtaining a meal of the famous cod. But it had the same taste as when it left us last December.
The marriage of friend Thomas Miller, Jr. to Miss Susie King, daughter of Skipper John King, took place Tuesday, May 9th, at St. John's Church by the Rev. Mr. Whitmarsh. After the marriage a sumptuous repast was served at the residence of the bride's parents, after which they returned to the home of the bridegroom, their future residence, where the wedding was kept and a large number of friends entertained. We wish them every available happiness.

The F. P. U. store opened for business Monday, May 8th and quite a rush has been on. The ladies seem to take great interest in the store and the manager does all possible to entertain them and is meeting with every satisfaction. We hope that the same success that have attended the store the past week will continue in the future.
We wish the F. P. U. and President Cooker every available success.
Yours truly,
CORRESPONDENT,
Bonaventure, May 15, 1916.
