# WAS A HERO IN BOER WAR

Earl Stacey, Nephew of Mrs. Andrews, Meets With Fatality.

The following despatch from St. Thomas refers to the death of a nephew of Mrs. W. N. Andrews, of this city, a South African hero, who participated in the engagement where the young man met death. The young man was well known in Brantford having been a visitor here. Mr. John Stacey, brother of Mrs. Andrews, was notified yesterday here by cable from St. Thomas, that Earl Stacey, son of Coy. John Stacey, formerly of St. Thomas, had been killed by accident there on Wednesday. The young man was born in St. Thomas thirty years ago, and graduated from the Collegiate Institute. During the Boer War he joined the second Canadian contingent and was in Hart's River fight, where he with McBette, of Southey, was taken prisoner by the Boers. After being released they both joined the British forces, and Stacey remained in Johannesburg for five years. He then joined his father, where he was managing a coconut plantation near Servat, the principal place on the Fiji Islands. Col. Stacey and his family live on an island 12

# A Statement Is Made Regarding the Brantford Motor Truck Co.

Mr. John S. Dowling, liquidator, today made the following statement to The Courier:

At a general meeting of the shareholders of the Brantford Motor Truck Company, Limited, duly called for the purpose of considering a resolution for the winding up of the company, and held at the offices of the company on the 27th instant, it was resolved that John S. Dowling be appointed liquidator for the purpose of winding up the affairs of the company and distributing its property. The company has on hand, according to its latest statement, parts of unmanufactured stock in trade to an extent considerably in excess of its total liabilities. The liquidator proposes to have a careful inventory taken, and if it is found feasible to have these goods manufactured so as to produce returns which may be reasonably expected to satisfy the company's liabilities, the liquidator will endeavor to do so as soon as information is at hand, will be fully advised of the exact position of the company.

# SOUTH BRUCE ELECTION IS CARRIED BY THE LIBERALS

Reuben Truax Winner of the Fiercest Political Fight in the History of the Riding—Appeals to Race Prejudice and Misrepresentation of Borden Naval Policy Responsible.

WALKERTON, Oct. 31.—Reuben E. Truax was elected to represent South Bruce in the House of Commons yesterday after the fiercest political fight in the history of the riding. The Liberal candidate's majority over Mr. W. D. Cargill was placed at a late hour last night at 125. In 1911 Mr. J. J. Donnelly, whose elevation to the Senate occasioned the vacancy in the elective chamber at Ottawa, received a majority of 103 over Mr. Truax.

The result by majorities:

|           |     |         |     |
|-----------|-----|---------|-----|
| Walkerton | 90  | Truax   | 90  |
| Lucknow   | 16  | Cargill | 16  |
| Teeswater | 14  |         |     |
| Paisley   | 22  |         |     |
| Elderslie | 19  |         |     |
| Culross   | 145 |         |     |
| Kinloss   | 78  |         |     |
| Brant     | 3   |         |     |
| Greenock  | 144 |         |     |
| Carrick   | 10  |         |     |
| Huron     | 49  |         |     |
|           | 384 |         | 259 |

Majority for Truax, 125.  
Large Vote Cast

Both parties used many automobiles to scout the countryside for electors. The votes were consequently recorded at an early hour. At Fortnora, for example, all had been polled by 3 o'clock, and at Walkerton all had been accounted for by four o'clock, an hour before the booths closed. The vote was one of the largest in the history of the riding. In Brant, Carrick, Culross and Elderslie Townships the Conservative losses were most severe. In Huron and Greenock Townships and in Chesley and Teeswater Mr. Cargill made notable gains, while in Kinloss and Greenock Townships and the towns of Paisley and Walkerton he suffered small losses. Chesley did well for the Conservative candidate, increasing the majority of 31 in 1911 to 53. Walkerton, too, did better for him than his opponents had anticipated. It was expected to roll up a huge vote for Mr. Truax, since it was his home town, but although the number of ballots cast was much larger than at the general election it only increased the majority of the Liberal candidate by 31.

# DREADED EPILEPSY

A Case That Should Bring Hope to Other Sufferers. There are many cases of epilepsy incurable so far as present medical knowledge extends and the sufferer is doomed to go through life a victim to a disease which has stricken him suddenly and without warning, and with each recurring affects his mental powers. Taken in time, however, many cases of epilepsy have been permanently cured by the use of Dr. Williams' Pink Pills, and in cases where the disease has not reached an acute form this remedy is worth giving a fair trial. Among the cures we give the following. Mrs. Robert Stringer, New Liskeard, Ont., says: "I have long felt that we should write and let you know what Dr. Williams' Pink Pills have done for our grandson, who was attacked with epilepsy. The trouble seemed to come on following an attack of whooping cough. His parents seemed to notice that his eyes seemed to bulge out and that he would be unconscious for a few seconds, and would go about his play as usual. The child was five years old at this time. The trouble seemed to be growing more severe and the attacks to come oftener, and as the local doctors were not helping him they sent him to the Children's Hospital in Toronto. He remained there for a short time when the doctors said his trouble was epilepsy, and they could do nothing for him. Time went on and the attacks grew worse and in the fall of 1908 my daughter wrote me that the little fellow was getting so bad that they wanted to send him back to the hospital. I asked her to send him to me for a time, and as one of his eyes had become crooked I took him to an oculist, who said this trouble could be cured but it had nothing to do with bringing on his other trouble. As I knew that Dr. Williams' Pink Pills were a splendid medicine I decided to give them to him, in the hope that they might benefit him. We were very careful as to diet, and as to keeping the child from excitement. In about a month we noticed that the trouble was lessening, and at this time the little fellow returned home and his mother kept up the treatment. In a few months he seemed fully cured but during the holidays the trouble came back in a milder form and the Pink Pills were again resorted to and again the trouble disappeared and although more than a year has passed there has not since been any sign of it. We feel so deeply indebted for what Dr. Williams' Pink Pills have done for him that we hope this plain statement of our experience will benefit some other sufferer. You can get Dr. Williams' Pink Pills from any dealer in medicine, or by mail at 50 cents a box or six boxes for \$2.50 from the Dr. Williams' Medicine Co., Brockville, Ont.

# AS VIEWED AT OTTAWA

Campaign Not Fought on Merits of the Two Policies. OTTAWA, Oct. 31.—The loss of South Bruce in the bye-election yesterday is less of a disappointment to the Conservative party here than it would have been had the Liberal campaign been conducted on a basis of honest representation and discussion of the political issues upon which the constituencies of Chateaugay and East Middlesex gave their judgment in support of the Government candidate. That the Laurier emissaries were not campaigning on any such basis as this has been well known here, as elsewhere since the opening of the contest.

The Liberal organization confined their efforts to a creation of an impression among the German residents of the riding that the Borden naval proposals were in some way designed as a menace to the country of their origin. This campaign began very early in the summer, soon after the elevation of the late member, Mr. I. J. Donnelly to the Senate. In the effort to create racial prejudice among the German residents, the Liberal candidate of the riding, Mr. Cargill, was serendipitously aided by the utterances of Col. the Hon. Sam Hughes in British Columbia in which he was quoted as having said that the German Empire must be taught a lesson. This report was repudiated months ago, but this repudiation was completely ignored in the campaign and issued by the Liberal organization and sent directly to the Ger-

# man electors over the name of the Laurier candidate.

The Conservative speakers who went to the riding from here did their best to remove the impression created by this untruth, but the misrepresentation had the benefit of a long start, and was repeated by the Liberal speakers and canvassers up to the time of polling. With this situation in mind Ottawa Conservatives do not regard the result as in any way expressing the unbiased judgment of the electors of South Bruce on the naval question itself, or upon the Borden Government's record as a whole. An examination of the returns as received here shows that the Liberal gains were made in the districts in which the Liberal campaign of misrepresentation was most vigorously and persistently waged. The result of the three bye-elections leaves the relative numerical strength of the parties in the House unaltered, the Liberal gain in South Bruce being offset by the Conservative victory in Chateaugay.
