

Final Instructions For Entraining

Men of 133rd Attended Last Divison Service in Simcoe This Morning

Simcoe, July 7.—Dr. Dey and Rev. E. C. Newcome both took part this morning in the last church parade at the armories. The men sang one verse of "Nearer My God to Thee" and entered heartily into the repetition of the Lord's Prayer. The ministers spoke of the great pleasure their connection with the battalion had given them and of the stirring qualities of the men.

The commanding officer acknowledged the services of the town preachers and proceeded to give instructions as to entraining to-morrow. The men were instructed to say farewell at home and informed that they would march in strict discipline and into their allotted coaches to-morrow and observe strict discipline in the coaches till the trains pulled out. The baggage car of the advance party broke down enroute yesterday and the material had to be transferred to another car at Hamilton. Advice from Capt. Wake, Q.M., states that the battalion has an excellent camp ground, conveniently situated. The Methodist S. S. management report that their trip over the new road yesterday was a pleasant one, and that the officials of the road were very courteous, and the arrangements for the transportation were well carried.

A resolution urging the President to exert every possible effort to avoid war with Mexico was adopted by the Central Conference of American Rabbis, at Wildwood, N.J.

Mr. W. L. Hughes left to-day on a business trip to Montreal.

Lt. Harry Fleming, of the 205th Tigers' battalion of Hamilton, was a visitor in the city this morning. His battalion leaves for camp on Sunday next.

Mr. and Mrs. C. E. Friend of Detroit, Mich., formerly of this city, are guests of Mr. and Mrs. J. L. Barnes, Echo Place, en route for a six weeks motor trip to Montreal, Ottawa and Quebec.

A jolly camping party, consisting of Mr. and Mrs. Edward Isaac and family of Galt; Mr. and Mrs. George MacKay and son Allen; Mr. and Mrs. Leonard Isaac, Misses Fern and Mira Scruton, all of Brantford; and Marion Walters, of Guelph, grand-children of Mrs. Farrow, Elora, are occupying the house at the old Farrow Farm, on the Grand River, below Elora. Their first catch from the Grand River was a fourteen-inch bass. Later on, some of the campers hooked and landed five fish of the same class measuring 16 inches.—Elora Express.

Diaphanous gowns have been placed under a ban by Major Beall, of Alton, Ill., and women and girls wearing shadow draperies who happen to get between the sun and the mayor or the Alton policemen will be arrested.

Texas proudly calls attention to the fact that she has 300,000 acres of peanuts under cultivation.

NO YOUNG MEN FOR PICNIC

One Example of How the War is Changing Conditions.

Since July 6.—A feature of the two Sunday School picnics which left here to-day, one for Brantford and the other for Dover, was the absence of young men. Even with the stores all closed for the afternoon, there are very few young men left about town and there were probably not more than a dozen young men in either group.

The following Brantford citizens are camping in Orchard Beach Park cottages at Dover: Mrs. Brooks and family, Mrs. Hooper and family, and there are at the Park Hotel, Charles M. Thompson, Mrs. George R. Thompson, and Mrs. W. H. Wrighton also of Brantford. A deputation from Brantford was at the park to-day with a view to bringing a picnic down on July 12th.

The delay in getting the trolley service open to the Port is seriously mitigating against the influx to the beach.

Telegraph service out of Simcoe is slow, frequently to the embarrassment of business men. A new line into the C.P.R. office has not as yet been put up to the present. There appears to be a short staff of operators in the Toronto office and frequently messages are seriously delayed. At present neither office will guarantee that messages will be sent within a given time.

The strength of the 133rd at present is given out as 888.

Does the crownless hat reign supreme in your wardrobe? If not, beware, fair ladies, it is on its way and is bound to captivate you with its fascinating charm, according to Miss Mildred Elaine, who plays the leading feminine role in "Nobody Home," the unique and delightful musical comedy which Mr. John P. Slocum, will present at the Grand Opera House Thursday evening, July 13.

"The brimless hat," says Miss Elaine, "has held dame fashion's hand for several seasons to the extent of ruining the hair of countless women through its lack of ventilation. Now, however, the crownless hat, which is a very welcome visitor, is here to stay, to sun the hair, to give it much needed fresh air and to bring fashionable women into closer touch with nature."

If you will look about you at the women who do not wear hats, whether from choice or compulsion, you will observe that they are the possessors of most luxuriant hair. This is not because of any special care, but because of the contact with fresh air. It is quite natural for the hair to die and the scalp to become unhealthy when we bind our heads in "hot boxes" of hats which some mad designer decreed women should wear in order to be in the fashion."

FARM LABORERS WANTED.

The Western Provinces of Canada have experienced an acute shortage of farm laborers for spring seeding and summer work this year.

Even when times were normal throughout Canada moreover, it was always necessary to bring from twenty-five to thirty thousand laborers from Eastern points for the harvest season.

As voluntary enlistments have been very heavy, and inasmuch as a successful crop is predicted by the experts, grave fear is being felt along the lines of the Canadian Northern Railway, on account of the difficulty experienced in obtaining labor, which means steady work and good wages for all who visit in the districts served by the C.N.R.
