In Order That Dawson and Yukon May No Longer Be in Relentless Grasp of the W. P. & Y. R.—Public Good Now Demands Government Road to Selkirk.

The distance saved over the present winter trail is over 87 miles, and by its use the time between Dawson and Whitehorse could be shortened 48 hours.

"This being my first winter in Dawson," said the governor, "it is only at the present time that I am able to appreciate the difficulty of getting mail in and out during the time intervening between the close of navigation and the arrival of safe traveling over the ice.

Over a year ago the agitation of a proposed overland road was begun, the matter reaching the point where a preliminary reconnaissance was made under the direction of Mr. Tache.
