

INSURGENTS SUCCESSFUL.

Three Towns Captured on the Costa Rican Frontier.

Insurgent Nicaragua General Planning Combined Attack.

Government General Anxious to Make Terms.

Bluefields, Nicaragua, Dec. 14.—An official telegram received at the insurgent headquarters here announces that Gen. Morales, at the head of a band of insurgents, has captured Tortuga, Orise and Supebe, three small towns on the Costa Rican frontier.

Morales proclaimed Estrada President of Nicaragua and continued his march to attack the important town of Rivas. Gen. Estrada now has 2,400 men, and looks forward to an early engagement that will result in a decisive victory for the insurgents.

Estrada announces that his first step preliminary to joining Morales and other of his leaders in the combined attack upon Managua will be the surrounding of Vasquez, which movement, he thinks, is partially accomplished now. Gen. Vasquez has reconcentrated his troops in the hills overlooking the Mico River, a few miles from Rama. Vasquez' right is threatened by General Luis Mena, who has taken up a position nine miles south of the Rama River. On the other flank of the Government army is General Forner Diaz, whose troops occupy a strong position on the Sigua River. Estrada plans simultaneous movements by Diaz and Mena cutting off the retreat of the enemy to the north or south, while Gen. Chamorro delivers a front attack from the east.

Gen. Vasquez apparently recognizes the advantage of the insurgents, as he continues to send messengers to the rebel camps seeking a compromise. These messengers invariably are turned back with the statement that Gen. Chamorro who is in command of the present movement, will consider nothing save unconditional surrender.

CONDEMN UNITED STATES. Mexico City, Dec. 14.—After a second meeting within a week, members of the Central American colony last night sent the following telegram to President Zelaya:

"Zelaya, Managua: The Central American contingent of Mexico congratulates the Nicaraguan people, their Government and their President for the patriotic attitude assumed against the unjust American intervention; and we protest most energetically against the hasty action of the United States."

This dispatch was signed by the officers of a newly-formed society that recently adopted resolutions denouncing President Taft and Secretary Knox.

REBELS SHOUT. Managua, Nicaragua, Dec. 14.—Rebellion has broken out at the capital. The streets are filled with unrestrained demonstrators. Shouts of "Long live liberty, the United States and Estrada," fill the air. The police have made no move to check the mob. It is said that President Zelaya has promised to publish to-day the announcement of his resignation.

A SUCCESS.

Barton Street Baptists Celebrated Their Anniversary.

After successful Sunday services, conducted by the Rev. W. J. H. Brown, a former pastor, now of Annette Street Baptist Church, Toronto, the Barton Street Baptist Church continued its anniversary celebration for the past night, when the choir, under the leadership of Mr. I. Pritchard, presented the sacred Cantata, "From the Manger to the Cross." In spite of the storm, the church was comfortably filled by an appreciative audience. The pastor opened the service with prayer and introduced the choir, who delighted the audience throughout the entire evening by the excellently rendered programme. Most excellent balance and precision of attack were the noticeable features, especially in the male voices. Perhaps the most conspicuous item on the programme was the tenor recitative, "And When They Had Mocked Him," sung by Mr. Devine, conductor of the Victoria Avenue Baptist Church choir. Others who especially distinguished themselves were Miss Olive Wilson, Mrs. (Rev.) Burwell, Mrs. Donovan, Mrs. Lewis and Mrs. Kemp and Messrs. Newlands, Hutching, Chilcott, Hillier and Widdup, and also Mr. Thos. Quincey, Controller, Masters Allan Burrell and John Tarves were the announcers. Miss Houlding presided most capably at the piano.

At the conclusion of the programme the applause was most enthusiastic, and the choir was requested to repeat the entire programme in the near future. Subsequently, January 3rd was decided upon as the date of the repetition. The Rev. H. Edgar Allan, pastor of Victoria Avenue Baptist Church, and President of the Baptist Ministerial Association, brought greetings from the sister Baptist churches and gave a short address on "The Successful Church." Rev. J. H. Howe, pastor of Kensington Avenue Baptist Church in response to the call of his name, sang, "Rock of Ages" to a Welsh tune.

At the conclusion of the programme refreshments were served to the choir in the schoolroom.

ARRESTED IN BRANTFORD.

Charles Fingers, a Hamilton Greek, was arrested in Brantford on Saturday by Chief Slemin. Fingers has three brothers there, and he reported to the police that Charles had journeyed to Brantford for the purpose of carrying out a threat of shooting one of his brothers. When arrested Fingers had concealed a loaded revolver above his boot. According to the brothers, the prisoner shot one of them in Greece, and is said to be a dangerous sort of character. He made no resistance when his arrest was effected. He is being held.

COURT OPENED.

His Honor, Judge Snider, opened the December sitting of the County Court this afternoon. He concluded his address to the Grand Jury by 2 o'clock, and started upon a long civil list. There were several criminal cases also.

GONE EAST.

Friends Are Congratulating Mr. and Mrs. Gibson.

Mr. and Mrs. D. R. Gibson, of this city, after a residence of over 25 years at 122 Victoria avenue north, they having gone into that cozy home on October 9th, 1884, have made a move and gone eastward. The cause of the move was their purchase of a nice new home, 85 Sanford avenue south, in which they have just got settled. The owner of the Victoria avenue house regretted to see them vacate, even after over a quarter century tenancy, but was pleased to know they were going into a home of their own. The house vacated, the owner states, is in better condition than when Mr. Gibson moved into it, and their friendly associations these many years were always most pleasant. In this house their family grew up and their only daughter, Jennie, now Mrs. John Langlois, was married. The sons are Charles and Alf, in business in Winnipeg, and William, in Grand Rapids, Mich. Charles is the only son married. Mr. Gibson is now grandpa just five times. Mr. and Mrs. Gibson came to Hamilton from Brantford. By trade Mr. Gibson was a bricklayer, and was foreman on the Hamilton post office when it was being built; later on Mr. Gibson went into building and contracting for himself, but in January, 1897, the Dominion Government appointed him to a position in the customs department. One of the articles in their removal effects is a clock purchased 54 years ago with a tumbler of gold, by the father of Mrs. Gibson, the late John Boughan, gold miner, then in Australia. The Times wishes Mr. and Mrs. Gibson all the comforts and good things that are going in their own new home.

GAS CASE SETTLED.

A settlement has been arrived at between the parties in the action of the Ontario Pipe Line Company against the Simpson Brick Company of Hamilton. The plaintiffs recovered judgment before Mr. Justice Teetzel for \$456.25. The dispute was as to whether the charge should be at the rate of 25 cents or 50 cents per thousand cubic feet for 2,028,000 cubic feet of gas, the total bill for which was \$1,014. The defendants counter-claimed for \$2,500, saying that the meter registered one-third more than it should. The total gas bill since Sept. 1, 1906, was \$7,839.75. The defendants were taking an appeal to the Divisional Court, but this is now stopped.

WANT SERVANTS.

Toronto, Ont., Dec. 14.—A large number of ladies from Toronto, Hamilton, St. Catharines, London and a number of other places waited on the Premier to-day to ask that special efforts be made to secure British domestic servants for Ontario. The ladies represented in the most positive manner that the need of such a class was so urgent that if nothing was done the suffragette movement would be introduced here in a demand for servants in Ontario. The Premier gave the usual official promise to inquire into the matter.

Playing Cards

To most houses a few new packs of playing cards would not come amiss.

New stock just arrived contains many new and most artistic designs, especially in the 50 cent series. One Imperia Club card at 25 cents is, we think, better value than any card made in the United States. It bears the imprint, "Made in England."

The Libette finish whist card at 35 cents the pack is very popular.

KING LEOPOLD.

The Operation For His Relief Was Successful, But Doubtful If He Can Withstand the Shock.

Brussels, Dec. 14.—King Leopold was operated upon successfully today. The surgeons found no trace of a tumor, the presence of which in the intestines had been feared. His Majesty's trouble was due to a simple obstruction. The King is resting quietly. When following the operation his Majesty regained consciousness. He said that the removal of the constriction and the presence of which in the intestines afforded him marked relief. The physicians met in consultation again this afternoon. The resort to surgery was only held as a last chance and the medical men had not been optimistic. Their unexpected success has given the members of the household and the populace new hope. The operation came in the nick of time as the patient's abdomen was so swollen that the only alternative was death. Improvement in the King's condition followed at once, but whether his broken body can resist the after effects of the surgery is a question regarding which the physicians will not hazard an opinion.

WILL HANG.

Stepoff Must Go to the Gallows—Other Sentences.

Toronto, Ont., Dec. 14.—By unanimous decision the Court of Appeal this morning confirmed the death sentence on Stepoff, the Macedonian, convicted of murdering a countryman, named Simoff, on Eastern avenue, this city, six months ago. The conviction of F. E. Karn, druggist, of this city, charged with serious offences against two young girls, was also confirmed, and to accused will go back to Magistrate Denison for sentence. The conviction of Joseph Bowes, of Brantford, for attempting a criminal assault on a little girl, was also confirmed. The conviction of Engineer Corrigan, of the C. P. R., for criminal negligence, was quashed.

A SURPRISE.

Officers Found Owner Sleeping With Horse in Shed.

John Berlinghoff, inspector of the S. P. C. A., and P. C. Burch made a visit last evening, which gave them a surprise. The inspector had an idea that a horse owned by W. Gadd was not getting enough to eat, so he and the officer went to the rear of 195 Main street east. They found the poor horse, apparently suffering with hunger, but were surprised to also find Godd himself sleeping in the same dirty 10x12 shed. Mr. Berlinghoff took out a summons against Gadd under the cruelty to animals act, but also notified the health and relief officers to look into the case. The inspector also took out a summons against Susan Miller, of Ancaster, charging her under the same act. It is alleged that she has eight cattle in pound that are not being properly fed.

VESSEL MISSING.

Steamer Jesse Spalding is Probably Lost.

Detroit, Dec. 13.—In the opinion of local marine men, the steamer Jesse Spalding, which passed Port Huron on Saturday night at 8 o'clock bound for Duluth with coal, has foundered on Lake Huron, with all hands. Efforts to locate the Spalding during the past 24 hours at any of the upper lake ports have been quite unavailing. No sign of the vessel has been found anywhere. It is possible that she may be at Harbor Beach, where an unknown vessel has taken refuge. At the Soo there is no news of the missing boat. For the past 24 hours a heavy northwest storm has been raging on Lake Huron, accompanied by blinding snow. The Spalding is a comparatively new craft of open deck style. She is 220 feet long, 40 feet beam, and has a steel hull. She was built in 1899, and is owned by Prindiville & Sons, of Chicago. She carried a crew of eleven men, two of whom, including Captain Louis Garu, reside in Port Huron.

(Special Wire to the Times.)
