Don't Allow Your Bowels To Become Constipated,

If the truth was only known you would find that over one half of the ills of life are caused by allowing the bowels to get into a constipated condition.

When the bowels become constipated the stomach gets out of order, the liver does not work properly, and then follows the violent sick headaches, the sourness of the stomach, belching of wind, heartburn, water brash, biliousness, and a general feeling that you do not care to do anything.

Keep your bowels regular by using Milburn's Laxa-Liver Pills. They will clear away, all the effete matter which collects in the system and make you think that "life is worth living."

Mrs. Hans McKitrick; Wakefield, One., writes: "For several years I was troubled with sour stomach and biliousness and did not get relief until I used.
