## HURON SIGNAL

CP We are pleased to see that the Globe, in addition to his friendly allusion to the Bureau, condensends to express his inter-sting gratification that the government are themselves in behalf of the criminals of the Descine expression of the sectors and people right, on this subject by stating and people right, on this ubject by stating and people right, on the subject by stating and people right, on the subject by stating and people right on Province; and are preparing to legislate with a view to improve the discipline, and reduce the expences incurred in the pre-sent management of our Jails. Our knowledge of the present Minister in April and was expected in May. So

ent management of our Jails. Our knowledge of the present Ministry,

prin

sent management of our J ails. Our knowledge of the present Ministry, individually, warrants us in saying that their energies will be earnestly devoted to the general good, and this movement is, in fact sufficient to satisfy the country that they consider the moral improvement of the peo-deve the function of the decency on their individually, warrants us in saying that they well, instead of the election more than four months ago, and have had a winter to orrange your cannaign, and with ALL the deve the function, and all the decency on their side werely our Conservative friends will consider the moral improvement of the peo-ple, worthy of their best consideration. And who, we ask, are more deserving of their first efforts than the class referred to 1 For certainly, both as regards their individual necessities, and the safety of public morals, none stand more in need of the ameliorating influences of benevolent Legislation. It would not be our wisdom, nor is it our dis-position to advocate a blind attachment to any man or set of men, and all we ask of our opponents with regard to the present minis-try is to give them a fart trial, and if by their acts they prove unworthy of the trust committed to them there, we say, but not relative to the issuing of the Writ, and it

relative to the issuing of the Writ, and i is simply this, before the House meets, of ommitted to them, there, we say, but not ill then, will use he ready to hoist the Sig- as the as the Act puts it, "When there is no Speaker, any two Members of Parliament al of their dissolution. In the meantime, they can at their leisure

In the meantime, they can at their leisure carefully peruse the last chapter in the poli-tical history of Baldwin and Price, and here therefore the influence of the Press. learn therefrom, the influence of the Press, And the Government or Lord Elgin, have and the determination of the people to no more power to hasten it, stop it, or delook after their own interests. lay it a single day, than some papers I could name have disposition to speak the trnth.

It provides that when there is a Speak-

We understand that George Brown, Jr. Esq., has declined opposing the Hon. Malcolm Cameron.

It provides that when there is a Speak-er, that is, after the House is organized-he shall on notice issue the Writ; and it provides that no member shall voluntarily resign his seat till after the first 15 days of the Session. But neither death nor office are looked upon as the voluntary acts of individuals, though the case of Judge Dra-per, and all suicides certainly look like it. The Coloniat sees clearly that his law up-sets his whole scheme; but he is like Gold-smith's School master, though he has van-quished himself be can are still, and say. The Municipal Council is now seting-they are now, we understand, considering Maitland Bridge, Gravel Roads, Sec. They will very likely finish all their business to-day.

The Assizes commenced yesterday quished himself he can argue still, and say but no business of importance had been done. There is yet a good deal to be done.

The weather is pleasant, and every thing begins to look like spring. The Steamboat Ruby made her first trip to this place, yesterday morning.

PUBLIC MEETING.

the candidate elected, and girds him a Kinght of the Shire—he is a member of Parliament, and has all the privileges which the? are entitled to. But why should not every man enjoy his own opinion, if the Conservatives are clear and sincere on this point, they will not condescend to contest this election, but stand upon their dignity and protest. To this I can have on objectimes. And at will arents I A meeting of the Electors of Huron Perth and Bruce, was called on Monday evening last, at the Huron Hotel, in this

digmity and protest. To this I can have no objections. And at all events, I think party rancour and spleen have gone far enough. Many represent me as a violent democrat, rebel, revolutionist, socialist, &c. I humbly think I am the reverse, hating violence, even in party feel-Town for the purpose of enabling the Hon. Malcolm Cameron to state his position and policy. The Honorable Gentleman detied out before you. The tra-dacing spirit will insidiously, and with a desperate industry, waft its poison from one end of the constituency to the other, and the "Presidency of the Council" and the "Bureaus," and every thing that is calculated to puzzle thrown in your path. But ye thrown in your path. But ye hind him, and see who is suport-dutes of which he is so admirably qualified. stated distinctly that I was in favor of full no confidence for the executive any longer <text><text><text><text><text><text><text><text><text><text><text><text><text><text><text><text>
