Nothing Will Do But Penco, 1869.
 Dealers, Builders, Architects and Engineers, who want the BEST, insist that their Metal Roofing, Ceiling or other Metal Products bear this mark of quality.
 Penco Sheets are the kind that are used on the warships of the U. S. Navy—the kind that you will find East-West-North or South—even in the mountains of Asia.
 They cost no more than cheaper grades. Let us quote you.

Special Notice.
 We take pleasure in announcing the appointment of Mr. Richard C. Power as our Newfoundland Representative for the sale of one of the most attractive securities that we have marketed during the long period of forty years in which we have served the investing public.
 We refer to the 7 per cent. Cumulative Preferred Stock of the Maritime Mail Company, Limited, a prosperous corporation operating at St. John, N.B., with the largest output of any single mill of its kind in Canada.
 This issue is unusually well secured by assets appraised at \$150 for every \$100 share of Preferred Stock, exclusive of the amount covering the Bonds outstanding. The earnings record of the issuing Company is alike exceptionally strong and rapidly expanding under the present efficient management. Two other desirable features are the 50 per cent. Common Stock Bonus and the alternative plans of payment, cash or instalment.
 A fully descriptive circular has already been mailed to our many Newfoundland patrons. We advise these friends of ours and all other interested persons to immediately get in touch with Mr. Power, from whom additional copies of the circular and further particulars may be had. His office address is given below.
