BUICK STANDS HARD SERVICE.

"My fourth Buick is undoubtedly the best car I have ever driven," writes Mr. Theodore Carfel, sole distributor of Blue Bonnet Brand Vegetables, grown in the Magic Valley, San Benito, Texas. "It is fast, has a quick get-away, no vibration; I would not drive a car without four-wheel brakes."

"I drove my 1923 Buick 24,000 miles in ten months and I am still using it in my business. I make a trans-continental trip each year, which takes me to Boston, then across to Portland, Oregon, and down through California, then on back to New York, and on to San Francisco, and back to New York. I do not believe that there is any car that will stand the hard, fast, continuous driving that a Buick will."

"A Marvelous Cure"

Is the verdict of hundreds who have tried Vicks Vaporub for cold troubles and found that it gave quick relief.

This is not in the least surprising, because Vaporub is a combination of Menthol, Camphor, Eucalyptus, Oil of Juniper Tar, Oil of Thyme, Turpentine—the best remedies for colds, congestions and inflammations—in salve form.

It is a vapor treatment, a penetrating liniment, an antiseptic dressing, a counter irritant and a soothing application—all in one.

The present is a time of danger for those susceptible to colds. Do not wait until a cold develops, but be prepared by having a jar of Vicks Vaporub at hand. Look for the familiar blue jar and do not accept substitutes.
