WHY PAY 90c. to \$1.00 Per Pound for PACKET TEAS?

The consumer must pay for the fancy lead or tin container, be it little or much, and the cost is usually about 5c. to 10c. per pound.

When you buy packet teas you get 5c. to 10c. less value per lb. than if you buy Standard well-known grades of loose tea from a reputable house. In addition there is the cost of special advertising to keep each brand before the public.

I recommend "ROSALIND" as a fine Sturdy AUTUMNAL FLAVORED LOOSE CEYLON TEA, to which NO fancy charges for packing, etc., are added.

This TEA is giving every satisfaction and the price is 75c. lb. Lower priced tea if required.

The Prince Receives Vociferous Welcome from 10,000 Kaffirs

Eight Persons Killed by Lightning in Brussels.—Earl of Ypres' Condition Reported as Serious.—Germany to Submit Polish Dispute to World Court.

10,000 KAFFIRS CHEER PRINCE.
 KING WILLIAMSON, Union of South Africa, May 20.—The Prince of Wales personally conducted the orchestra during one of the numbers at a dance given in his honor here last night. Thousands cheered the Prince as he passed through the streets on his way to the dance. As he entered the hall the guests formed two lines through which the Prince walked. Thousands of Kaffirs, garbed in fantastic combinations of native costume and improvised European dress, gathered here to-day from all the surrounding country and hailed the Prince. The crowd, estimated to number more than ten thousand, cheered tremendously as the Prince arrived wearing the uniform of Colonel of the Welsh Guards.

GERMANY APPEALS TO WORLD COURT.
 GENEVA, May 20.—It was officially announced to-day that Germany has appealed to the World Court of Justice to settle her dispute with Poland concerning the alleged expropriation by Poland in Polish Upper Silesia of German-owned industrial rural property.

FIRE WIPED OUT CANADIAN VILLAGES.
 PORT ARTHUR, Ont., May 20.—The little hamlet of Hime, thirty miles west of this city on the main line of the Canadian National Railway, has been practically wiped out by a forest fire. According to reports received here this morning, many families were rendered homeless and the fire was spreading.

KILLED BY LIGHTNING IN BRUSSELS.
 BRUSSELS, May 20.—Eight persons were killed by lightning last night, and damage estimated to amount to millions of francs was caused by a storm in this section. The principal damage was done to farm crops, although houses in towns and cities were battered by heavy hail that broke thousands of windows. All traffic and communications were impeded and in some places temporarily stopped.

PRINCESS DISLIKES PUBLICITY.
 NEW YORK, May 20.—Supreme Court of Justice Black has denied a motion of attorney for Morris Gest, brought against him by Princess Marie Carmi Matchabellio, who alternated with Lady Diana Manners in the madonna role in Gest's production of the miracle last year. The Princess says she was made ridiculous by Gest's alleged publicity methods.

EARL OF YPRES' CONDITION GRAVE.
 LONDON, May 20.—The condition of Field Marshal French, Earl of Ypres, was described to-day as very grave. He underwent an operation on March 19th, but appeared soon after to be improving.

THE CONTINENT IN THE NORTH.
 NEW YORK, May 20.—Donald B. MacMillan, noted Arctic explorer, in town to-day for the christening of the Peary, one of the two ships equipped with three seaplanes which will leave for the North on June 17th, under his command, told of a mirage of an unknown continent, which is luring him to the Arctic again. We believe that there is a vast unexplored continent, possibly one million miles in area, to the west of northern Greenland, he said, named Crocker Land by Admiral Peary, but we have only indirect evidence of its existence. Both Peary and myself have seen the mirage or its reflection on the sky repeatedly, and the action of the tides and condition of the ice

surrounding the area, are additional scientific indications of its existence. The land will be explored by seaplanes and on the return trip MacMillan will explore reported ruins of eleventh century civilisation similar to those discovered in Greenland.

CANADIAN MEDICAL OFFICER DEAD.
 TORONTO, May 20.—Major-General George Sterling Ryerson, Surgeon-General, and Colonel-in-Chief of the Canadian Army Medical Corps, is dead in his 71st year.

WINNER OF IRISH STAKES.
 CURRAGH, Ireland, May 20.—A. B. Coyle's "Smooch" won the Irish Two Thousand Guineas' Stakes, run here to-day.

GERMAN GOVERNMENT GIVEN CONFIDENCE VOTE.
 BERLIN, May 20.—The Government to-day received a vote of confidence in the Reichstag. The vote was 214 to 129, with 25 not voting.

CHINESE MURDER IN VANCOUVER.
 VANCOUVER, B.C., May 20.—Fred Lambert, known in the Chinese Colony as Yam Lambert, and Nak Dip, a Chinese cook at the McNeil shingle camp, Port Moody, are dead, as the result of a gun battle staged in a bunk house at the mill. Two others were seriously injured, while two more are in custody. Nak Dip, according to the police report, shot his fellow countryman, Yam Lambert, through the heart and, after seeing the victim die, rushed into the bedroom and shot himself, but before doing so he shot and dangerously wounded two others. The direct cause of the shooting is thought to be a criminal law suit now being heard in the local courts, which arose from a number of street fights in Vancouver's Chinatown some time ago.

They are Best She Ever Tried
So Says Alberta Lady of Dodd's Kidney Pills.
 Mrs. L. Lipka suffered for three years with kidney trouble.
 St. Kilda, Alta., May 20.—(Special) "I have suffered for three years with kidney trouble. I have been to the Doctor and have tried many other remedies, but they did me no good. I tried Dodd's Kidney Pills and they were a great help to me. I could hardly do any house-work. Three boxes of Dodd's Kidney Pills have done me much good. They are the best remedy I have ever taken." This statement comes from Mrs. L. Lipka, a well-known resident of this place. Kidney trouble is very common amongst all classes of people, and usually a lot of valuable time is lost by using unsuitable treatments. A good plan is to watch the kidneys and keep them healthy. Dodd's Kidney Pills stimulate and strengthen weak kidneys. They are used and recommended all over the civilized world.

PRELIMINARY NOTICE
 Newfoundland Postal Association Excursion to Hr. Grace, by rail, June 24th. Particulars later. May 20, 21

The Right to Clean Food

Dirty and even diseased Asiatics, working in filthy sheds in squalid lanes, are handling to-day the fruit we shall be eating next month.

That is the disagreeable fact revealed by Dr. Leslie Haden Guest, M.P., who has just investigated the conditions under which fruits and other food are prepared in the Near East. Dr. Guest found that in Smyrna figs, sultanas, and currants are packed on dirty floors, trodden by bare feet coming unwashed from the streets and gutters, and tainted by all the indescribable filth of the East. In theory the consumer is protected by certain safeguards. In practice the rules are completely disregarded and the medical examination is the merest formality.

These conditions are sickening and quite intolerable. Failing some adequate safeguard against dirt and disease over-seas, people here would be well advised to join the ever-increasing public which prefers to buy fruits from Australia and other places within the Empire.—Daily Mail.

Actually Multiplies 250 times in lather

Accept a tube just to see how much this improves shaving

A little dab of Palmolive Shaving Cream—put onto your brush—will work into 250 times its original bulk, in rich, creamy lather.

Can you see how this would increase the ease and speed with which you shave? It does—as millions of men know. In fact there are two ways in which it does.

Why not accept a tube and put this claim to the test?

The story back of it

We've been making fine soap for 60 years. Not many years ago we decided to make better shaving cream than had ever been offered men before.

Our start was to ask 1,000 men what they thought a shaving cream should do—to speed up shaving, make it more comfortable. They told us four things. To them we added a fifth. Then we tested and discarded 120 formulas—before finally perfecting the one by which millions of men have been won away from other shaving creams and soaps.

In five ways we had bettered all previous soaps and creams.

See what they are

- 1—It multiplies itself in lather 250 times. A tiny bit suffices for a shave.
- 2—It acts in one minute. Within that time the beard absorbs 15% of water.
- 3—The lather maintains its creamy fullness for 10 minutes on the face.
- 4—A clean shave results, for the extra-strong bubbles hold the hairs erect for cutting.
- 5—The palm and olive oil content brings soft after-effects.

You take no risk in granting us the favor of a test. We're the ones who risk. But you do have a chance to discover better shaving than you've ever known before.

As a final touch to shaving luxury, we created Palmolive After Shaving Talc—especially for men. Doesn't show. Leaves skin smooth and fresh, and gives that well-groomed look.

Good Show at Casino Last Evening

"The Rosary," With Full Acting Company, Now Playing.

In the role of Rosie O'Grady, the fascinating little Irish girl in "Mother's Irish Rose," Miss Arlie Marks quite captivates her audience. This is the role that was played by Miss Marks in last night's play at the Casino. Lindsay E. Perrin plays an admirable straight character in the part

of George Reynolds. Paul Brady gives a good account of the role of Bill Bullock and puts it over with his usual finished style. Agnes Stutz gives the character of Mother O'Grady the sympathetic feeling that the role requires. W. L. Phillips is most fittingly cast, and gives a carefully studied performance of Dr. Oakman. Walter DeLana fits the role of Jim Brand, Miss Bess, to perfection. Ray Wasmund's portrayal of Bushnall Oakman is indeed realistic in every respect. Louise Ad Del autis and acts the part of Margaret well. The story has been splendidly interpreted and the dramatic scenes are well brought out. The vaudeville was especially interesting and each turn was greeted by spontaneous applause.

Tonight's bill is the much advertised play, "The Rosary," a play that will go down with the ages. A production in which the full acting company appears. Special scenery and equipment has been prepared to go with this bill. One of the outstanding characters in it is Father Brian Kelly, which is in the capable hands of H. Webb Chamberlain, who created the role in the original production. Every person in St. John's should see "The Rosary," and seats are now selling rapidly at Hutton's Music Store.
