

SUICIDE IN TORONTO.—On Sunday evening a German named Augustus Kissner, who for about a week had kept a boarding house in Adelaide street West, Toronto, committed suicide by shooting himself with a Colt's revolver. It appears that for several weeks past he had given evidence of mental aberration, and since taking the boarding house had laboured under the delusion that somebody wanted to take away his furniture. A few minutes before the fatal act he had been speaking to his wife, but made no allusion to his intention; he stepped into a small bedroom on the first floor and took the weapon from his trunk, and placing the end of the muzzle in his mouth, fired. Death resulted almost immediately.

PROPAGATION OF SALMON.—The Whitley Gazette says Mr. W. R. Wilnot, of Newcastle, shipped last week some 10,000 young salmon to Duffin's Creek to be planted there. It adds—This establishment—situated in Newcastle—has been very successful in its operations. During the past season almost half a million of fish, consisting mostly of salmon trout, have been safely hatched out, and are now being sent broadcast throughout the country—gratis. Mr. Wilnot deserves great credit for the enterprise thus displayed in inaugurating and fostering this new industry in this country.

BIBLE CHRISTIAN CONFERENCE.—The twentieth Conference of the Bible Christian Church in Canada commenced its sittings in the B. C. Church, Horton street, London. Immediately after devotional exercises, conducted by Rev. E. Roberts, the retiring President, the Conference roll was called, and the members and visitors assigned their places. The election of President resulted in the choice of Rev. W. Hooper; Rev. W. S. Pascoe was re-elected Secretary; Rev. R. T. Courtie, Journal, and E. Blake, Donicate Secretaries. The hearty thanks of Conference were passed to the outgoing President and Secretary.

A Presbyterian clergyman in St. Louis offers a reward of \$50 to any one who will give the name of a Presbyterian minister, who is a member of a Presbytery under the jurisdiction of the General Assembly of the United States of America, who has at any time preached the doctrine of infant damnation.

THE POST OFFICE INVESTIGATION.—Lately Mr. Dewe, on behalf of the Post Office Investigation Commission, wrote to Boyes at his place of retreat asking that he should go before the Postmaster or some other responsible person of that place and write copies of the address and remarks on the envelope and slip which enclosed the Pope-Macdonald letter. Boyes refused to go before the Postmaster, and lately sent Mr. Dewe a letter containing four or five of the desired copies, the writing of which is so identical with that on the said envelope and slip as to leave no further room for doubt as to Boyes being the person into whose hands fell the Pope-Macdonald letter. During last week Mr. Palmer was sent for by the Government, and informed that, if acceptable to him, he would be reinstated, granted three months leave of absence, and all reasonable expenses incurred during his suspension and prosecution defrayed.

MANUFACTURE OF COCOA.—"We will now give an account of the process adopted by Messrs. James Epps & Co., manufacturers of dietetic articles, at their works in the Euston Road, London."—See article in *Cassell's Household Guide*.

THE GREAT ENGLISH REMEDY.

Dr. Williams' Specific Medicine

Before Taking. After Taking.

Cures all Nervous Diseases, such as Tremors, Debility, Prostration, etc., which, in many cases, are produced by over indulgence in the use of tobacco and alcoholic spirits; but the Specific Medicine is more especially recommended as an infallible cure for Seminal Weakness, Spermatorrhea, Impotency, and all diseases that follow as a consequence of Self Abuse, as Loss of Memory, Universal Lassitude, Pain in the Back, Dimness of Vision, Premature Old Age, and many other Diseases that lead to Insanity or consumption, and a Premature Grave, all of which, as a rule, are first caused by deviating from the path of nature and over indulgence.

The Specific Medicine is the result of a life study and many years of experience in treating these special diseases. Full particulars in our pamphlet, which we desire to send free by mail to every one.

The Specific Medicine is sold by all Druggists at 25¢ per package, or six packages for \$1.50, or will be sent by mail on receipt of the money, by addressing
