BRUSSELS, via London, Aug. 13.-3:40 a.m.-The first visions of Austrian forces comprising battle in open country is reported in the following official communication:

"After having passed the night (Tuesday) in the position they had reached after their retreat of yesterday, the Germans this morning advanced in force towards a point in our Artillery Will Likely Be First French Cut German Centre dispositions, which they thought was not held.

"Our staff, however, was alert, and, informed by cavalry reconnaisances, was able to give the necessary orders, with the result that the enemy found their advance checked. An engagement took place, in which our troops were successful. Ten thousand men took part in the fight.

"This was the first action of our troops in open country, and their conduct is a good augury for the future. Apart the rate of \$1.10 a day. The daily bill for the pay of the privates alone, the situation, to all appearance, has undergone no therefore, will be \$27,500. The extra pay
