UNLIKELY THAT CANADIAN NURSES WILL GO TO WAR

Large Number of Applicants From London and District Will Be Disappointed.

According to information received by Mrs. A. T. Edwards, from the British Red Cross Society, it is unlikely that any Canadian nurses will go to the front in the present war, unless it is the Canadian women's hospital ship at Portsmouth.

Mrs. Edwards, secretary of the local Red Cross Society, has received a cablegram further gives the information that 60,000 nurses, enrolled by an organization working under the British Red Cross Society, are in training, 25 per cent of whom are ready to go to the field of war at once.

MEN REAP AS THEY SOW IN SPIRITUAL LIVES

Same Law Applies to Physical Lives, Declares Kansas City Pastor.

In a sermon addressed to young men last night in St. Andrew's Church on "Sowing Wild Oats," Rev. Dr. J. J. Silcox, of Kansas City, made a lasting impression on the young men present. Taking as his text Galatians vi. and vii., "Be not deceived; God is not mocked, for whatsoever a man sows, that shall he also reap," the preacher said: "I want to carry your thoughts and conscience with me as I discuss this statement of divine truth. The truths of revelation are the truths of reason, and the primary truths of religion are self-evident truths."

ST. ANDREWS CHURCH ISSUE CALL TO PRAYER

Duty as Christian Congregation Set Forth in Church Calendar Yesterday.

Under the heading, "A Call to Prayer," the church calendar of St. Andrew's Presbyterian Church yesterday contained the following: "In the presence of the awful European conflict now in progress, what is our duty as a Christian congregation? Surely our duty is to invoke the presence and help of the God of Justice and Mercy, and to pray earnestly and unceasingly for the success of Britain and her allies. Abraham Lincoln declared that God was always on the side of right, justice, truth and liberty, and he prayed incessantly that the people of the Union might keep on his side, and through his Almighty help and guidance, gain the victory of those who were in the wrong. Let us then earnestly implore the aid of the great Father of Nations. Let us pray fervently that this cruel war may speedily come to an end, and that it may issue in the establishment of universal peace, which may long remain undisturbed."
