Pulpit Finds Theme In Wonderful Film

"I saw with very great interest the production of 'The Four Horsemen of the Apocalypse' last night and propose seeing it again, as there is more in it than one can fathom at a single exhibition.

"The picture will undoubtedly help create a widespread determination to find a more suitable method of settling international difficulties than by the arbitrament of the sword.

"There are subtle features in connection with the prophetic phases that bear explaining. "I propose preaching on 'The Four Horsemen of

the Apocalypse' in the First Presbyterian Church on Sunday night. "Yours very truly,

"WILLIAM BEATTIE, D.D.,C.M.G.
