It ran down his cheek, and another came in its place and followed it. Then he threw open the window. From his satchel he took a portfolio and, taking out a check book, wrote a check and, grabcheck book, wrote a check and, grab-bing his hat, rushed out of the room. Christmas Not a Humbug.

"Christmas a bumbug, uncle?" said Scrooge's nephew. "You don't mean that, I'm sure." "I do." said Scrooge. "Merry Christ-

mas! Out upon Merry Christmas! What's Christmas time for you but a time for finding jourself a year older and not an hour richer, a time for bal-anchug your books and having every item in 'em through a round dozen of months presented dead against you? If I could work my will every idiot who goes about with 'Merry Christ-mas' on his lips should be bolled with his own pudding and buried with a stake of holly through his heart. He should!"

It is many years since the conversion of old Scrooge from the error of his ways by the three ghosts of Christmas past, Christmas present and Christmas yet to come. It is many more years since the first Christmas anthem rang triumphant in the bush of an expectan midnight hour over the plains of Palestine. And yet, in spite of the years and their message to the world, there still exist those unfortunate souls who like the wretched Ebenezer, call Christ mas a humbug and lose sight of the

real spirit and joy of the day. "Christmas a humbug!" one is moved to exclaim with old Scrooge's indig-nant nephew. No. not a humbug, but a feast of good cheer, of kindly im pulses, of generous giving, if hearts are opened and sympathies allowed free play, if cynicism is barred and pessi-mistic philosophy banished to the imto of all unpleasantness. For the very
